A Note From Jennie: "Please be aware that 7 of the 9 weeks involve fasting one of the excesses we'll be looking at. I believe that practicing the discipline of fasting is impactful, but ALSO... this pandemic has forced us into fasting so much already! You may be interested but unsure if you have it in you to do the fasting part. PLEASE know there will be NO fasting police! I'd rather have you participate if you're interested than have you exclude yourself because of that."

Thanks! Looking forward to this!
