High-level Integrative Veterinary Concierge Care means members and their pets belong to a community of compassionate, experienced, engaged, efficient and hard-working professionals invested in the health of your pet in every stage of their lives. We are interested in not only helping when there’s a problem, but in providing the causes of health to avoid having problems in the first place.

You may choose your pet’s primary veterinarian - and we strongly believe there is value in knowing your doctor and your doctor knowing you and your pet. When your primary vet is not available, the other veterinarians at The Royal Treatment will help manage the case. We will make an effort to make sure your primary veterinarian is involved and aware of any medical issues associated with their patients as soon as they are available.

I have read and understand this Agreement provided to me by The Royal Treatment Veterinary Center. I understand that this Agreement can be terminated upon 30 days’ written notice prior to March 30th 2024. After that all annual memberships will be honored and binding. I understand that after March 30, 2024, if I terminate membership within the year, refunds will not be automatic. Conditions and any Refunds will be individually determined using RTVC guidelines. These guidelines include but are not limited to membership interval, services provided, consultations used, products, discounts/intellectual property/benefits received, client communication and compliance and other factors. Typically, once a comprehensive wellness evaluation, testing and plan have been completed, no refund will be offered.

I understand that the Royal Treatment Veterinary Center reserves the right to terminate subscriptions for clients based on our codes of conduct (zero tolerance for abusive behavior to staff), non-payment and for other terms or infractions.

Membership positions are limited, and once terminated, a client will lose their priority status to return to the practice and may have to be put on a waiting list if they wish to rejoin the practice.

This Agreement for continued subsequent service is renewable by paying the annual fee for the applicable Service Year as determined by The Royal Treatment. The terms of this Agreement will apply to all such subsequent Service Years, unless The Royal Treatment and client agree otherwise, in writing.

Automatic annual renewal notices will be emailed to each member prior to charging for renewal.

Once you have enrolled, additional benefit information about our Concierge Practice as it evolves will be available to you.
