### 2017 FALL SESSION

#### DODGEBALL (w/Adrenaline Sports) Grades K-5

Play Dodgeball with Adrenaline Sports! This class is a great way for your child to learn about teamwork and sportsmanship. We play a variety of game types depending on the playing environment, number of participants, and the age of the participants.

Class Day: Mondays, 4:00-5:00pm (Homework help 3:45-4:00pm)

#### PAINT WITH ME (w/Doodle Bird Art) Grades K-5

Join us for a 6 week course in painting Acrylic Canvases. Our team will help you little artist grow with shading, detail, and basic understanding of how to paint and how colors blend. We believe you don't have to be an artist to be artistic!! On our last day of class we will create a group project that will be sent to REF and auctioned off to support other Riverview programs.

Class Day: Tuesdays, 4:00-5:00pm (Homework help 3:45-4:00pm)

#### GYMNASTICS (w/Jet's Gymnastics Express) Grades K-5

We are a mobile gymnastics company that has been serving Washington State for over 20 years. We teach sound, basic tumbling and gymnastic skills in a fun, non-competitive environment. We believe that encouragement and positive motivation are keys to a child's achievement and self confidence.

Class Day: Thursdays, 4:00-5:15pm (Homework help 3:45-4:00pm)

Everyone is welcome. The YMCA of Greater Seattle strengthens communities in King and south Snohomish counties through youth development, healthy living and social responsibility. Financial assistance is available.
