

BABB, through its partnership with the employment law firm Jackson Lewis, is pleased to offer you access to Jackson Lewis' Pittsburgh COVID-19 Hotline.

The Hotline gives you direct access to a management-side employment lawyer at Jackson Lewis to help walk through your COVID-19 questions. At no cost to you, you can discuss FFCRA leave, CARES Act loan forgiveness and unemployment issues, and wage and hour implications related to COVID-19, just to name a few. While there are limitations to the guidance that Jackson Lewis can provide through its hotline without entering into a formal engagement (such as providing employee-specific legal advice), Jackson Lewis can discuss the risks associated with certain decisions based on the regulations and guidance issued to date, the legal implications of employer actions, and best practices to managing a workforce during this pandemic.

If the nature of your question goes outside of the scope of the hotline, Jackson Lewis has agreed to offer you discounted rates on any formal engagement.

The attached flyer discusses the hotline in more detail, provides links to various FAQs and guidance sheets, and gives you the contact information for the hotline.

When calling the hotline, please provide the Jackson Lewis attorney your name, position, and Company name so that we can track BABB's client usage of this amazing service.
