FDOT Broward County Traffic Impact Report

August 23-30, 2019

Fort Lauderdale – Construction and maintenance-related lane closures on state highways in Broward County are expected during the week of August 23-30. Weather permitting, work will be done at the following locations throughout the county. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter @MyFDOT_SEFL.

Please note, any full road, ramp or bridge closures have been highlighted below.

CONSTRUCTION PROJECTS

Interstates

- 1. I-95 from south of Hollywood Boulevard in the City of Hollywood to south of Broward Boulevard in the City of Fort Lauderdale and I-595 from I-95 to SR- 7 in the Town of Davie (95 Express Phase 3C)**

Description: Work on this 9-mile 95 Express project includes extending the existing Express Lanes north from just south of Hollywood Boulevard to just south of Broward Boulevard in Broward County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Other project improvements include construction of I-95/I-595 Direct Connectors between 95 Express Lanes and I-595, as well as reconstruction, milling, resurfacing and widening of I-595 from SR-7 to I-95 and along I-95 from south of Hollywood Boulevard to south of Broward Boulevard. Additional work includes bridge widening along I-95 at several locations, painting of 17 bridges within project limits, I-95/SR 84 interchange modifications, Integrated Intelligent Transportation System (ITS) Installation, including cameras, detectors and dynamic message signs to optimize traffic operations, tolling/gantry construction, ramp signalization implementation at the interchanges, lighting, signage and drainage installation and construction of shoulder-mounted sound walls and retaining walls. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at 954.299.6561 or apacini@corradino.com.

Cost/Completion: \$457 million. Completion is expected in late 2024.

Ramp Impact:

- No anticipated restrictions.

2. I-95 from south of Broward Boulevard to north of Commercial Boulevard in Fort Lauderdale (95 Express Phase 3A-1)

Description: Work on this 6.7-mile 95 Express project includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other work includes: widening bridges, sound wall construction, installation of Intelligent Transportation System (ITS) and tolling equipment and ramp signaling at the I-95 entrance ramps at Davie Road, Broward Boulevard, Sunrise Boulevard, Oakland Park Boulevard and Commercial Boulevard. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at 954-299-6561 or apacini@corradino.com.

Cost/Completion: Construction cost is \$150 million. Completion is expected in early 2021.

Traffic Impacts:

- I-95 will have three lanes closed in each direction Sunday through Thursday night between 9 p.m. and 5 a.m. The first two lanes will close at 9 p.m., and the third lane will close at 10 p.m. until 5 a.m. All lanes will be open by 5:30 a.m.
- I-95 in both directions, from south of Davie Boulevard to north of Commercial Boulevard, will have intermittent shoulder and ramp shoulder closures, as needed, daily and nightly.
- Powerline Road at the I-95 overpass will have one lane closed daily, 9 a.m. until 3 p.m., Monday through Thursday.
- NW 19th Street at the I-95 overpass will have one lane closed, daily, 9 a.m. until 3 p.m., Monday through Thursday.
- Oakland Park Boulevard will have two lanes closed in each direction, nightly, 9 p.m. until 5:30 a.m., Sunday through Thursday, through September 30.
- Prospect Road will have one lane closed in each direction, nightly, 10 p.m. until 6 a.m., Sunday through Thursday.
- I-95 northbound, between Sunrise Boulevard and Oakland Park Boulevard, will have a new traffic pattern beginning 5 a.m., Monday morning, August 26. This pattern is anticipated to be in place through December 2019, weather permitting.
- **I-95 Northbound Full Closure Advanced Notice:** I-95 northbound lanes at Commercial Boulevard will be closed to traffic overnight, 11:30 p.m. until 5:30 a.m., Tuesday night, September 24 and Wednesday night, September 25 for overhead sign structure installation.
Detour: Traffic will be detoured via the I-95 northbound exit ramp to Commercial Boulevard, N. Andrews Avenue and Cypress Creek Road. FHP will be on site to assist motorists.

Ramp Impact:

- The I-95 northbound entrance ramp from Oakland Park Boulevard will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Commercial Boulevard and Powerline Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramps to Oakland Park Boulevard will be closed as needed 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Commercial Boulevard. FHP will be on site to assist motorists.

- The I-95 northbound exit ramp to eastbound Oakland Park Boulevard will have one inside lane closed daily, 9 a.m. until 3 p.m., Monday through Friday.
- The I-95 northbound exit ramp to Commercial Boulevard will be closed as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Cypress Creek Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Commercial Boulevard will have one inside lane closed daily, 9 a.m. until 3 p.m., Monday through Friday.
- The I-95 northbound entrance ramp from Commercial Boulevard will be closed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Powerline Road and Cypress Creek Road. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Commercial Boulevard will be closed nightly, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Oakland Park Boulevard and I-95. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramps from Commercial Boulevard will be closed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Powerline Road, Oakland Park Boulevard and I-95. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramps from Oakland Park Boulevard will be closed, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Powerline Road and Sunrise Boulevard. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Oakland Park Boulevard will be closed, as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Sunrise Boulevard. FHP will be on site to assist motorists.
- The I-95 northbound exit ramps Sunrise Boulevard will be closed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Oakland Park Boulevard and I-95. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from Sunrise Boulevard will be closed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Oakland Park Boulevard and Powerline Road. FHP will be on site to assist motorists.

3. I-95 from north of Commercial Boulevard in in the City of Fort Lauderdale to south of SW 10th Street in the City of Deerfield Beach (95 Express Phase 3A-2)

Description: Work on this 7.3-mile 95 Express project includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other work includes widening bridges, sound wall construction, installation of Intelligent Transportation System (ITS) and tolling equipment and ramp signaling at the I-95 entrance ramps at Andrews Avenue, Cypress Creek Road and Atlantic Boulevard. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at 954-299-6561 or apacini@corradino.com.

Cost/Completion: Construction cost is \$154 million. Completion is expected in fall 2019.

Traffic Impact:

- I-95 between Commercial Boulevard and SW 10th Street will be have three lanes closed in each direction Sunday night through Thursday night. The first lane will close at 10:30 p.m., the second lane at 11:30 p.m. and the third lane at 12:30 a.m. until 5:30 a.m.

4. I-95 from south of SW 10th Street to south of Glades Road (95 Express Phase 3B-1)

Description: Work on this 4.8-mile 95 Express project includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other project improvements include bridge widenings at Palmetto Park Road and Camino Real, complete bridge replacement at the Hillsboro Canal, noise wall construction, portable traffic monitoring sites, toll gantry installation, Intelligent Transportation System (ITS) installation, ramp signaling at the I-95 entrance ramps from Palmetto Park Road, Express Lane markers and landscape relocation. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at 561-214-3358 or apacini@corradino.com.

Cost/Completion: Construction cost is \$102 million. Completion is expected in spring 2022.

Traffic Impact:

- I-95 will have three lanes closed in each direction nightly, as needed, Sunday through Thursday, between SW 10th Street and Glades Road, with the first lane closing at 9:30 p.m., the second lane closing at 10:30 p.m., and the third lane closing at 11:30 p.m. until 5:30 a.m.
- Palmetto Park Road at I-95 will have two lanes closed in each direction nightly, as needed, Sunday through Thursday. The first lane will close at 9 p.m., and the second lane will close at 10:30 p.m. All lanes will be opened by 5:30 a.m.
- Palmetto Park Road at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 3:30 p.m., Monday through Thursday.
- Camino Real at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 4 p.m., Monday through Thursday.

Ramp Impact:

- The I-95 northbound exit ramp to Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via I-95 northbound, Hillsboro Boulevard, and Military Trail. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The northbound entrance ramp from eastbound and westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 southbound to Hillsboro Boulevard to I-95 northbound.
- The I-95 northbound entrance ramp from eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from westbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Palmetto

Park Road and South Dixie Highway. FHP will be on site to assist motorists. Please note that ramp closures will be performed as needed per paving production; consecutive ramps will not be closed at the same time.

Northeast Broward

5. SR 811 / NE 4th Avenue / Wilton Drive Complete Streets Project in Fort Lauderdale and Wilton Manors

Description: Project improvements include removing old asphalt and resurfacing the roadway, upgrading signs and pavement markings, adding a buffered bike lane in each direction, widening sidewalks, upgrading pedestrian signals and modifying pedestrian curb ramps to meet ADA requirements, upgrading roadway and pedestrian lighting, and installing new drainage structures and upgrading the existing drainage system. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$3.3 million / Summer 2019

Traffic Impact:

- Final single-lane configuration has been implemented. There will be intermittent slowed traffic along NE 4th Avenue/Wilton Drive from Sunrise Boulevard to NE 26th Street for the installation of permanent pavement markings, 8 a.m. to 6 p.m., Monday through Thursday. Flaggers will direct traffic throughout the specified work areas.

6. Countywide Lighting Retrofit Improvements Project in Fort Lauderdale, Plantation, West Park, Davie, Hollywood, Miramar and Lauderhill

Description: Lighting retrofit improvements include the installation of new light poles, upgrading light poles to LED lighting throughout Broward County in the cities of Fort Lauderdale, Plantation, West Park, Davie, Hollywood, Miramar and Lauderhill. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$977,777 / Fall 2019

Traffic Impact:

- One lane in each direction will be closed along SR 7/US 441 from 9 a.m. to 4 p.m., Monday through Wednesday, at the following intersections to build lighting structures, install conduits and restore the affected areas: 5th Street 5th Court, Broward Boulevard and North Hospital Drive.

7. SR 7/US 441 Pedestrian Safety Enhancement Project from NW 29th Street to north of SR 816/Oakland Park Boulevard in Lauderdale Lakes

Description: Safety enhancements will address pedestrian mobility by constructing a 10-foot shared-use path along the east side of SR 7/US 441 within the project limits. A pedestrian safety barrier will be installed along the existing median to discourage mid-block pedestrian crossings. Improvements will also include a new northbound overhead sign, miscellaneous signage, paving, restriping, landscaping, and curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$1.4 million / Early 2020

Traffic Impact:

One lane in each direction will be closed on SR 7 / US 441 from NW 29th Street to SR 816/Oakland Park Boulevard, 9 a.m. to 3:30 p.m., Monday through Thursday for relocation of trees, concrete work, asphalt operations, earthwork, landscaping and drainage.

Northwest Broward

8. SR 7 Improvements Project from Commercial Boulevard to south of Glades Road in Tamarac, North Lauderdale, Fort Lauderdale, Margate, Coral Springs, Coconut Creek, Parkland and Palm Beach County Commercial Boulevard to Broward / Palm Beach County Line:

Description: The improvements under this contract include removing old asphalt, resurfacing the roadway, upgrading pedestrian features, including adding sidewalks on both sides and detectable warning surfaces at crosswalks. Other improvements include installing overhead sign structures, upgrading signs and pavement markings to include a 7-foot bike lane in each direction, installing new bus shelters with bicycle racks, trash receptacles, and benches, upgrading drainage structures, upgrading signalization with pedestrian signals, detectors and vehicle video detection, and upgrading lighting. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$13,403,577.42 / Fall 2019

Traffic Impact:

- One right outside lane of State Road 7 between north of NW 31st Street and south of the Broward/Palm Beach County Line will be closed, 9 a.m. until 3 p.m., Monday through Thursday, for the installation of concrete, roadway lighting, signalization and for road widening operations.
- One southbound, right outside lane on State Road 7 between Commercial Boulevard and NW 31st Street will be closed, 9 a.m. to 3 p.m., Monday through Thursday, for the installation of underground conduit and roadway lighting.
- One alternating lane in each direction along State Road 7 will be closed, 9 p.m. to 6 a.m., Sunday through Thursday, between north of NW 31st Street and south of Broward/Palm Beach County line, for paving operations.

9. University Drive Improvements Project in Tamarac

Description: The improvements under this contract include milling and resurfacing and widening the roadway to accommodate 7-foot buffered bike lanes in each direction, upgrading signs and pavement markings, including adding green bike lane pavement markings, reconstructing sidewalks, upgrading pedestrian curb ramps, replacing the mast arm at the northeast corner of McNab Road, upgrading existing lighting to LED luminaires, adding 24 new drainage structures, and relocating existing bus shelters. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$3.1 million / Summer 2019

Traffic Impact:

- One inside lane in each direction on University Drive from McNab Road to NW 78th Street will be closed, 8 a.m. to 4 p.m., Monday through Thursday, for punch list items.

10. Sample Road Bus Queue Jump Project in Coral Springs, Margate, Coconut Creek, Deerfield Beach, and Pompano Beach

Description: The implementation of bus queue jump operations will allow public transit buses to receive traffic signal priority at intersections ahead of other vehicles. This includes installation of Intelligent Transportation System devices such as bus queue jump lane detectors, electronic signs and other devices to implement bus queue jump operations. In addition, lighting improvements will be added to 19 intersections along Sample Road. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$1.9 million / Fall 2019

Traffic Impact:

- One lane in each direction on Sample Road at the following intersections will be closed, 9 a.m. to 3:30 p.m., Monday through Thursday, for electrical work related to lighting installation: NW 5th Avenue/NW 5th Terrace, Turtle Creek Drive, Powerline Road, NE 3rd Avenue, NE 12th Avenue and NE 15th Avenue.

11. Copans Road Mobility Improvement Project in Coconut Creek and Pompano Beach

Description: Project improvements for Copans Road include widening, resurfacing and re-striping the roadway to accommodate 5-foot designated bike lanes and two 11-foot through lanes in each direction. Other improvements include installing curb and gutter and upgrading and modifying pedestrian curb ramps and crosswalks with handrails, guide rails, and detectable warning pads. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$913,324 / Summer 2019

Traffic Impact:

- One westbound lane will be closed on Copans Road west of Blount Road for one mile, 9 a.m. to 3 p.m., Monday through Thursday, to install sod and complete miscellaneous work.
- One eastbound lane will be closed on Copans Road between west Blount Road for one mile, 9 a.m. to 3 p.m., Monday through Thursday, to install sod and complete miscellaneous work.

12. Pompano Beach Mobility Improvements Project in Pompano Beach

Description: The project improvements consist of sidewalk and shared-use path construction and reconstruction, milling and resurfacing of existing pathways, driveway reconstruction, concrete curb, patterned pavement, pavers, signage and pavement markings. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$1.5 million / Early 2020

Traffic Impact:

- SE 2nd Street will be closed between SE 19th Avenue and SE 20th Avenue daily between 9 a.m. and 4 p.m. Monday through Thursday for sidewalk and driveway improvements.
 - Eastbound traffic will be detoured as follows: Go east on SE 2nd Street; go south on SE 19th Avenue; go east on SE 3rd Street; go north on SE 20th Avenue; go east on SE 2nd Street.

- Westbound traffic will be detoured as follows: Go south on SE 20th Avenue; go west on SE 3rd Street; go north on SE 19th Avenue; go west on SE 2nd Street.
- Lane closures between SE 11th Avenue and US-1 on SE 2nd Street implementing flagging operations daily between 9 a.m. and 4 p.m. Monday through Thursday for sidewalk and driveway improvements.

13. Peters Road Improvements Project in Plantation

Description: Project improvements include widening, resurfacing and restriping the roadway to accommodate 5-foot designated bike lanes with a 3-foot buffer and two 11-foot through lanes in each direction, installing curb and gutter along the median and outside lanes at the approaches to intersections and at bus stops, modifying pedestrian curb ramps to meet ADA requirements, relocating drainage structures, and upgrading lighting at University Drive. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$1.4 million / Fall 2019

Traffic Impact:

- The eastbound right lane on Peters Road from Pine Island Road to SW 78th Avenue will be closed, 8 a.m. to 3 p.m., Monday through Thursday, for road widening work.
- One lane in each direction on Peters Road will have alternating closures until the completion of construction.

14. University Drive Oakland Park Boulevard Mobility Improvements in Lauderdale Lakes, Wilton Manors, Oakland Park, Fort Lauderdale, Tamarac and Sunrise

Description: Project improvements include widening, milling and resurfacing, drainage improvements, bicycle lanes, sidewalks, signalization, signage and pavement marking improvements. There will also be pedestrian lighting and drainage upgrades. Oakland Park Boulevard from University Drive to US-1 will include bus shelters and signalization improvements to provide traffic signal priority for buses. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$6.8 million / Fall 2020

Traffic Impact:

- One lane in each direction will be closed between Springtree Drive and NW 44th Street on University Drive, 9:30 a.m. to 2:30 p.m., Monday through Thursday, for road widening work and electrical, drainage, concrete and landscaping operations.
- One lane in each direction will be closed between Springtree Drive and NW 45th Street on University Drive, 7 p.m. to 6 a.m., Monday through Thursday, for roadway and drainage operations.

15. North Broward Mobility Improvements Project in Deerfield Beach and Pompano Beach

Description: Project improvements in Pompano Beach include adding pavement markings and missing sidewalk on NE 11th Avenue. Project improvements in Deerfield Beach include milling and resurfacing NE 48th Street/NE 49th Street with minor widening to accommodate bike lanes in

both directions, adding pavement markings on SE 2nd Avenue, and milling and resurfacing and adding pedestrian lighting on SW 3rd Avenue. Other improvements include curb and gutter, pavers and reconstructed driveways. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$4.1 million / Spring 2020

Traffic Impact:

- All lanes are open.

16. Hillsboro Canal Fender Repair Project in Deerfield Beach and Boca Raton

Description: Project improvements on the Hillsboro Canal Bridge (No. 860259) Project in the cities of Deerfield Beach and Boca Raton in Broward and Palm Beach counties, will include a full replacement of the existing fender system. Other improvements include installing new navigation signage along the canal. For more information, contact Community Outreach Specialist Justina I. Hicklyn at (954) 482-4190 or justina@Valerin-Group.com.

Cost/Completion: \$436,087/Winter 2019

Traffic Impact:

- All lanes across the bridge will be open throughout construction.

Marine Traffic Impact:

- During working hours, the navigable channel/waterway under the bridge will be reduced from 40 feet to 30 feet to accommodate the work.

17. All Electronic Tolling (AET) Phase 5A from I-595 to s/o Lantana Road

Description: Work consists of providing all labor, materials, equipment, and incidentals necessary to continue with the complete conversion of the Turnpike Mainline to an All Electronic Toll (AET) collection system. The overall AET conversion scope includes: milling and resurfacing, drainage improvements, curb & gutter, lighting, highway signing, guardrail, MSE walls, toll facilities and other construction activities on the Florida's Turnpike from I-595 (milepost 54) to south of Lantana Toll Plaza (milepost 88) for 34 miles in Broward and Palm Beach Counties. It is anticipated that the project will cost \$20.4 million and work will continue through summer 2020.

Cost/Completion: \$20.4 million. / Summer 2020

Traffic Impact:

- Northbound and southbound Florida's Turnpike between south of Commercial Boulevard and south of Sawgrass Expressway: Overnight single and double lane closures, 10 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
- Northbound Florida's Turnpike at Commercial Boulevard/SR 870 (Exit 62): Overnight full road closure, 11:30 p.m. Monday, August 26, to 5 a.m. Tuesday, August 27. If necessary, to complete the work, this closure will also occur from 11:30 p.m. to 5 a.m. Tuesday, August 27, Wednesday, August 28 and Thursday, August 29.
 - Detour information: Northbound Florida's Turnpike traffic wishing to continue north on Florida's Turnpike will be directed to exit at Commercial Boulevard East (Exit 62), travel east on Commercial Boulevard to US 441/SR 7, travel north on US 441 to Coconut Creek Parkway and travel east on Coconut Creek Parkway to access northbound Florida's Turnpike.

- Northbound Florida's Turnpike traffic wishing to access the Pompano Beach Service Plaza will be directed to exit at Commercial Boulevard (Exit 62), travel east on Commercial Boulevard to US 441/SR 7, travel north on US 441 to Coconut Creek Parkway and travel east on Coconut Creek Parkway to access southbound Florida's Turnpike, where they will be able to access the Pompano Beach Service plaza.
- Northbound Florida's Turnpike entrance ramp from Commercial Boulevard: Overnight full ramp closure, 11 p.m. Sunday, August 25, through Thursday, August 29.
 - Detour information: Commercial Boulevard traffic wishing to access northbound Florida's Turnpike will be directed to travel east on Commercial Boulevard to US 441/SR 7, travel north on US 441/SR 7 to Coconut Creek Parkway and travel east on Coconut Creek Parkway to access northbound Florida's Turnpike. **Please note, entrance and exit ramps will not be closed at the same time.*
- Northbound Florida's Turnpike entrance ramp from Commercial Boulevard: Overnight full ramp closure, 9 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
 - Detour information: Commercial Boulevard traffic wishing to access northbound Florida's Turnpike will be directed to continue east on Commercial Boulevard to US 441/SR 7, travel north on US 441/SR 7 to Coconut Creek Parkway and travel east on Coconut Creek Parkway to access Northbound Florida's Turnpike. **Please note, entrance and exit ramps will not be closed at the same time.*
- Northbound Florida's Turnpike exit ramp to Commercial Boulevard: Overnight full ramp closure, 9 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
 - Detour information: Northbound Florida's Turnpike traffic wishing to access Commercial Boulevard will be directed to exit at Sunrise Boulevard (Exit 58), travel east on Sunrise Boulevard to US 441/SR 7 and travel north on US 441/SR 7 to access Commercial Boulevard. ** Please note, entrance and exit ramps will not be closed at the same time.*
- Southbound Florida's Turnpike entrance ramp from Commercial Boulevard: Overnight full ramp closure, 9 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
 - Detour information: Commercial Boulevard traffic wishing to access southbound Florida's Turnpike will be directed to travel east on Commercial Boulevard to US 441/SR 7, travel south on US 441/SR 7 to Sunrise Boulevard and travel west on Sunrise Boulevard to access southbound Florida's Turnpike. **Please note, entrance and exit ramps will not be closed at the same time.*
- Southbound Florida's Turnpike entrance ramp (slip ramp) from Commercial Boulevard: Overnight full ramp closure, 9 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
 - Detour information: Commercial Boulevard traffic wishing to access southbound Florida's Turnpike will be directed to travel east on Commercial Boulevard to US 441/SR 7, travel south on US 441/SR 7 to Sunrise Boulevard and travel west on Sunrise Boulevard to access southbound Florida's Turnpike. **Please note, entrance and exit ramps will not be closed at the same time.*

- Southbound Florida's Turnpike exit ramp to Commercial Boulevard: Overnight full ramp closure, 9 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
 - Detour information: Southbound Florida's Turnpike traffic wishing to access Commercial Boulevard will be directed to exit at Coconut Creek Parkway (Exit 67), travel west on Coconut Creek Parkway to US 441/SR 7 and travel south on US 441/SR 7 to access Commercial Boulevard. **Please note, entrance and exit ramps will not be closed at the same time.*
- Northbound Florida's Turnpike exit ramp to Commercial Boulevard (Exit 62): Daytime single lane closures, 10 a.m. to 2 p.m., Monday, August 26, through Friday, August 30.
- Eastbound and westbound Commercial Boulevard between SR 7/US 441 and the toll plaza: Daytime single lane closures, 9 a.m. to 3:30 p.m., Monday, August 26, through Friday, August 30.
- Eastbound and westbound Coconut Creek Parkway between Coconut Creek Boulevard and NW 27th Avenue: Daytime single lane closures, 9 a.m. to 3:30 p.m., Monday, August 26, through Friday, August 30.
- Eastbound and westbound Sample Road between Tradewinds Park Road and NW 27th Avenue: Daytime single lane closures, 9 a.m. to 3:30 p.m., Monday, August 26, through Friday, August 30. **Please note, this closure will not affect the entrance or exit ramps.*
- Eastbound and westbound Atlantic Boulevard in the vicinity of Florida's Turnpike: Daytime single lane closures, 9 a.m. to 3:30 p.m., Monday, August 26, through Friday, August 30. **Please note, this closure will not affect the entrance or exit ramps.*

18. Turnpike & Sunrise Boulevard (Exit 58) Interchange Modifications

Description: Florida's Turnpike is modifying and improving the interchange with Sunrise Boulevard and implementing All-Electronic Tolling at the interchange. It is anticipated that the project will cost \$50 million and work will continue through late 2019.

Cost/Completion: \$143 million / Summer 2022

Traffic Impact:

- Florida's Turnpike northbound and southbound between Sunrise Boulevard (Exit 58) and Broward Boulevard, double lane closures, 10 p.m. to 5 a.m., Sunday, August 25th through Thursday, August 29th. A third lane in each direction may close beginning at 11 p.m. All lanes will reopen by 5 a.m.
- The southbound entrance ramp from Sunrise Boulevard to Florida's Turnpike will be closed nightly from 11 p.m. to 5 a.m. Sunday, August 25th through Thursday, August 29th. This closure is to accommodate bridge related activities.
 - DETOUR – Motorists will be directed to travel east on Sunrise Boulevard to SR 7/US 441, then travel south to the westbound ramp to I-595 and follow the signs to access southbound Turnpike.
- Florida's Turnpike northbound exit ramp to Sunrise Boulevard West (Exit 58B) will be closed nightly from 11 p.m. to 5 a.m., Sunday, August 25th through Thursday, August 29th. This closure is to accommodate bridge related activities.
 - DETOUR – Motorists will be directed to exit at Commercial Boulevard (Exit 62), continue east to SR 7/US 441, and continue south to Sunrise Boulevard. As an alternate route, motorists familiar with the area can exit at Griffin Road or I-595, continue east to SR 7/US 441, and continue north to access Sunrise Boulevard.

- Sunrise Boulevard eastbound and westbound between NW 47th Avenue and NW 56th Avenue, a single lane in each direction closed nightly between 7 p.m. to 6 a.m., and a second lane may close in each direction beginning at 10 p.m. to 6:00 a.m., Sunday, August 25th thru Thursday, August 29th. Also, Single lane closures daily between 9 a.m. to 4 p.m., Monday, August 26th through Friday, August 30th.

Southeast Broward

19. Hollywood Boulevard Complete Streets Project in Hollywood from east of City Hall Circle to Dixie Highway

Description: The improvements under this contract include removing old asphalt, resurfacing the roadway, adding decorative lighting, widening sidewalks and adding decorative pattern, upgrading existing pedestrian signals to countdown timers, constructing new median with parallel parking, replacing the existing water main and connections at various cross streets, and upgrading signs and pavement markings to reflect the new roadway configuration as follows: two lanes in each direction throughout the entire corridor, a four-foot bike lane in each direction separated by a two-foot buffer throughout the entire corridor. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$7,667,258.35 / fall 2019

Traffic Impact:

- Westbound Hollywood Boulevard from Dixie Highway to City Hall Circle is shifted north.
- Intermittent lane shifts may occur from City Hall Circle to Dixie Highway, Monday through Thursday between 7 a.m. and 5 p.m.
- The right-turn lane from southbound Dixie Highway onto Westbound Hollywood Boulevard has been temporarily closed.
- Eastbound and westbound Hollywood Boulevard will be closed between 24 Avenue and City Hall Circle Sunday, August 25 through Tuesday, August 27 between 9 p.m. and 5 a.m. for asphalt operations.
 - Eastbound Hollywood Boulevard will be detoured via S 26 Avenue, Van Buren Street, and S 24 Avenue.
 - Westbound Hollywood Boulevard will be detoured via N 24 Avenue, Polk Street and N 26 Avenue.
- Northbound 24 Avenue at Hollywood Boulevard will be closed Wednesday, August 28 through Thursday, August 29 between 9 p.m. and 5 a.m.
 - Northbound 24 Avenue will be detoured via Monroe Street, Dixie Highway and Taylor Street.
- Southbound 24 Avenue at Hollywood Boulevard will be closed Tuesday, September 3 through Thursday, September 5 and Sunday, September 8 between 9 p.m. and 5 a.m.
 - Southbound 24 Avenue will be detoured via Taylor Street, Dixie Highway and Monroe Street.
- One lane in each direction of Hollywood Boulevard may be closed Sunday, August 25 through Thursday, August 29 between 9 p.m. and 5 a.m. for paving operations.

20. A1A Improvements Project from Sheridan Street to Monroe Street in Hollywood

Description: Improvements under this project include removing old asphalt and resurfacing the roadway, widening sidewalks and upgrading ramps to meet ADA requirements, replacing drainage structures and installing flap gates, removing, narrowing, and /or upgrading medians and curb and gutter, adding 4-foot bike lanes from Monroe Street to Arizona Street, adding sharrows (share the road pavement markings) from Arizona Street to Sheridan Street, upgrading and installing new pedestrian signals, and minor signalization and street light improvements. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

For more information about the project and monthly updates, please click the following link:

http://d4fdot.com/bcfdot/ala_improvements_from_sheridan_st_monroe_st_hollywood.asp

Cost/Completion: \$9,366,292.09 / fall 2019

Traffic Impact:

- Intermittent lane shifts may occur from Hollywood Boulevard to Sheridan Street, only a few blocks at a time, Monday through Thursday, between 7 a.m. and 5 p.m.
- Traffic on A1A will be shifted east between Johnson Street and Arizona Street overnight Sunday, August 25, between 9 p.m. and 5 a.m., for staging equipment and material within the construction zone. **Please note that this date is tentative to change*

21. Mobility Improvements Project in Pembroke Pines and Hollywood

Description: Improvements under this contract consist of upgrading pedestrian signals and modifying crosswalks and pedestrian ramps to meet ADA requirements, modifying drainage structures and lighting, minor widening, installing steel sheet pile wall and guardrail, and resurfacing existing roadway where associated with pedestrian improvement, extending the length of turn lanes, widening, resurfacing, and restriping roadway to add bike lanes in both directions, upgrading pedestrian ramps and crosswalks. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$2.3 million/ summer 2019

Traffic Impact:

Hollywood:

- One eastbound lane of Hollywood Boulevard from N Park Road to S 35 Avenue is permanently closed during construction for pipe installation, lighting, and roadway widening operations.
- One westbound lane of Hollywood Boulevard from N Park Road at N 35 Avenue is permanently closed during construction for pipe installation, lighting, and roadway widening operations.

Pembroke Pines:

- The right-turn lane from southbound Flamingo Road onto westbound Pembroke Road is temporarily closed for the installation of sidewalks.
- The left-turn lane just west of SW 136 Avenue from eastbound Pines Boulevard will be temporarily closed through June for widening operations.
- The outside eastbound lane on Pines Boulevard just west of Grand Palm Avenue will be temporarily closed through June for widening operations.
- The left-turn lane from westbound Pines Boulevard to 12800 Pines Boulevard will be closed Monday through Thursday, between 9 a.m. and 4 p.m. for roadway widening operations.

22. SR 858/Hallandale Beach Boulevard over the ICWW Bridge Maintenance Project

Description: Improvements under this contract consist of Paint steel portions of the two bridges; eastbound SR 858/Hallandale Beach Boulevard (bridge no. 860618) and westbound SR 858/Hallandale Beach Boulevard (bridge no. 860619) For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$1.6 million/ early 2020

Traffic Impact:

- No lane closures.

23. SR A1A/Dania Beach Boulevard Mobility Improvements Project

Description: The improvements under this contract include installing a 5-foot sidewalk on the south side of the road, widening the bike lanes to 7 feet on the north side and 5 feet on the south side and milling and resurfacing the roadway. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$1,344,114.70/ early 2020

Traffic Impact:

- One eastbound lane and/or westbound lane may be closed Monday through Thursday. The lane closures may remain overnight, only one segment at a time. One lane in each direction will always be maintained.

24. 14th Avenue Mobility Improvements Project

Description: The improvements under this contract include widening the roadway to accommodate bike lanes on 14th Avenue, Arthur Street, and Harding Street; adding shared lane pavement markings along 14th Avenue and Harding Street, to enhance the safe travel of bicycles and motor vehicles in the same traffic lane; and installing a shared-use path (off-road path) on Polk Street and 14th Avenue. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$2,099,354/ spring 2021

Traffic Impact:

- Construction start date has been changed to December 2, 2019.

25. SR 858/Hallandale Beach Boulevard Safety Improvements Project

Description: The improvements under this contract include milling and resurfacing the existing pavement along Hallandale Beach Boulevard from the SFRC crossing to west of Ansin Boulevard; widening and resurfacing the I-95 northbound off-ramp to Hallandale Beach Boulevard, to provide an additional right-turn lane; widening and resurfacing the I-95 southbound off-ramp to Hallandale Beach Boulevard, to extend vehicle storage capacity of the right-turn lane; upgrading the existing traffic signals at the intersections of Hallandale Beach Boulevard and the I-95 off-ramps; reconstructing the sidewalks and pedestrian crossings on the I-95 northbound off-ramp to Hallandale Beach Boulevard; and upgrading the existing lighting along the I-95 off-ramps to Hallandale Beach Boulevard and underneath the I-95 bridge to LED lighting. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$2,331,387/ spring 2020

Traffic Impact:

- Lane closures will occur along Hallandale Beach Boulevard from Ansin Boulevard to the SRFC crossing Monday through Thursday between 9:30 a.m. and 3:30 p.m. and 9 p.m. and 6 a.m.
- Intermittent lane closures on the I-95 off-ramps to Hallandale Beach Boulevard will occur overnight Sunday through Thursday between 9 p.m. and 5:30 a.m.

26. SR 824/Pembroke Road at Dixie Highway Intersection Improvements Project

Description: The improvements under this contract include upgrading signalized intersections to mast arms, installing crosswalks, pedestrian signal crossings and associated curb ramps, upgrading existing lighting to LED and milling and resurfacing the roadway. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$ 815,678/ spring 2020

Construction starts Wednesday, August 28, 2019.

27. SR 9/I-95 at SR 824/Pembroke Road Interchange Improvements Project

Description: The improvements under this contract include widening the I-95 off-ramps at Pembroke Road to accommodate an additional right turn lane; minor shoulder widening of the I-95 on-ramps at Pembroke Road; upgrading the existing traffic signals at the intersections of Pembroke Road and the I-95 off-ramps; upgrading the existing lighting along the I-95 on and off-ramps at Pembroke Road to LED lighting; reconstructing the sidewalks and pedestrian crossings at the I-95 off-ramps and the I-95 northbound on-ramp at Pembroke Road; milling and resurfacing within the project limits. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$1,465,257/ spring 2020

Construction Open House: A Construction Open House is scheduled for Thursday, September 5, 2019, from 5 p.m. until 7 p.m. at City of Hollywood City Hall room 215, located at 2600 Hollywood Boulevard, Hollywood, FL 33020. This meeting will have an informal open house format; no formal presentation will be made. Project representatives will be available to answer questions and provide assistance at any time during the meeting.

Southwest Broward**28. SR 7 / US 441 Improvements Project from Fillmore Street to south of Stirling Road in Hollywood and the Seminole Indian Reservation**

Description: Project improvements include adding one through lane in each direction for a total of six lanes with left turn lanes separated by raised medians, constructing new storm sewer system and retention ponds, installing new water and sewer lines, constructing bus bays at current bus stop locations, constructing curbs and gutters, adding or replacing sidewalks with ADA compliant ramps on both sides of the road, upgrading existing signalized intersections with mast arms and add pedestrian countdown timers at Johnson Street, Taft Street, and Sheridan Street, installing new signalized intersection and pedestrian countdown timers at Fillmore Street, improving street lighting along the corridor by installing new lighting system along the west side of SR 7/US 441, adding Intelligent Transportation System components including digital message

signs and traffic monitoring cameras, and resurfacing the roadway. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$29.6 million / summer 2019

Traffic Impact:

- One lane in each direction on SR-7 from Fillmore Street to south of Stirling Road may be closed intermittently, Sunday through Thursday evenings and weekends between 10 p.m. and 5 a.m.

29. Hollywood Gardens West Sidewalk Improvements Project in Hollywood

Description: The improvements under this contract include updating striping on the existing roadway to provide up to 7-foot bike lanes in each direction on Columbus Parkway and Glenn Parkway from south of Johnson Street to south of Tyler Street, adding sharrow pavement markings (share the road arrows) on N 58 Avenue from Johnson Street to Hollywood Boulevard, Lincoln Street and Polk Street from SR 7 to N 56 Avenue and Taft Street from N 20 Avenue to N 14 Avenue, constructing new sidewalks and repairing damaged sidewalks, modifying and adding drainage structures and regrading swale areas, relocating mailboxes and fences, and removing trees as needed to accommodate the proposed improvements and installing light poles and signs throughout the project limits. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$2,654,817.48 / summer 2019

Traffic Impact:

- No lane closures.

30. I-75 / I-595 Interchange Landscaping Improvements Project

Description: The improvements under this contract include installing a temporary irrigation system, constructing retaining walls of various heights and lengths that will serve as elevated planters, and installing plants throughout the interchange including several species of palms and shade trees. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com

Cost/Completion: \$4.9 million / fall 2019

Traffic Impact:

- No lane closures.

31. NW 136 Avenue and SR-84 Intersection Improvements Project in Davie, Plantation, and Sunrise

Description: Project Improvements include: replacing and widening the existing bridge over the North New River Canal, resulting in an additional southbound through lane and designated bike lanes; adding a designated right-turn lane from westbound SR 84 to northbound NW 136th Avenue; upgrading existing lighting to LED; and milling and resurfacing the roadway. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$6.4 Million/ fall 2020

Traffic Impact:

- The southbound bridge of 136 Avenue over the New North River Canal has been closed for reconstruction. Southbound 136 Avenue traffic has been shifted east onto the 136 Avenue northbound bridge until spring 2020.
- One lane in each direction of NW 136 Avenue from eastbound SR-84 to NW 3 Avenue may be closed overnight, Sunday through Thursday, between 10 p.m. and 7 a.m.

32. I-75 Landscaping Improvements Project in Miramar and Pembroke Pines

Description: Project Improvements include installing plants throughout the project limits, including several species of palms and shade trees and a temporary irrigation system. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$2.5 Million/ summer 2020

Traffic Impact:

- No lane closures.

33. SR 25/US 27 and SR 93/I-75 Interchange Bridge Maintenance Project

Description: Project improvements include steel and concrete painting of two bridges: SR 25/US 27 southbound ramp to eastbound SR 93/I-75 (bridge no. 860337) and SR 25/US 27 northbound ramp to westbound SR 93/I-75 (bridge no. 860338). For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$1,195,515.30/ spring 2020

Traffic Impact:

- One lane of the northbound US-27 ramp to northbound I-75 will be closed Monday through Thursday between 7 a.m. and 7 p.m.
- One lane of the southbound US-27 ramp to southbound I-75 will be closed Monday through Thursday between 7 a.m. and 7 p.m.
- The outside northbound and southbound lane of I-75 under the US-27 bridges will closed Monday through Thursday between 7 a.m. and 7 p.m.

34. City of Hollywood Mobility Improvements Project

Description: Project improvements installing bike lanes along Hollywood Boulevard and Park Road; adding shared lane pavement markings along 35th Avenue, Polk Street, Rainbow Drive, Circle Drive, and Van Buren Street to enhance the safe travel of bicycles and motor vehicles in the same traffic lane; installing sidewalks along Fillmore Street, Hollywood Boulevard, and the intersections of Polk Street and Van Buren Street at 24th Avenue; adding a mid-block crossing on Hollywood Boulevard, east of 28th Avenue; relocating the existing water main on the north side of Hollywood Boulevard; and adding french drains on Hollywood Boulevard between Academy Circle and 35th Street, and on Park Road between Washington Street and Johnson Street. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$3,049,774/ fall 2020

Traffic Impact:

- The outside lanes in each direction of Park Road, from Washington Street to Johnson Street will be closed during construction.

35. I-75 Resurfacing Project

Description: Project improvements include milling and resurfacing along SR 93/I-75 from the Miami-Dade/Broward County Line to north of Sheridan Street and installing double-face guardrail between the General Use Lanes and Managed Lanes. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$8.5 million/ spring 2020

Traffic Impact:

- One lane in each direction of the SR 93/I-75 express lanes from the Miami-Dade County Line to Sheridan Street will be closed through Thursday, November 14, between 9 p.m. and 6 a.m. for guardrail installation.
- I-75 from will have three lanes closed in each direction Sunday through Thursday night between 9 p.m. and 5:30 a.m. The first lane will close at 9 p.m., the second at lane will close at 10:30 p.m., and the third lane will close at 12:30 a.m. until 5:30 a.m. All lanes will be open by 6 a.m.

36. Southwest Broward Mobility Improvements Project

Description: Project improvements include widening the roadway to accommodate 7-foot buffered bicycle lanes and adding sidewalks to create a continuous facility in each direction of SW 56th Avenue; adding shared lane pavement markings in each direction along SW 62nd Avenue and North 64th Avenue to enhance the safe travel of bicycles and motor vehicles in the same traffic lane; and adding sidewalks to create a continuous facility in each direction of SW 62nd Avenue. For more information, contact Community Outreach Specialist Rebecca Guerrero at (954)218-2304 or rguerrero@corradino.com.

Cost/Completion: \$4,993,116/ summer 2021

Traffic Impact:

- Sections of the southbound lane on SW 62nd from the County Line Road to Pembroke Road will be closed Monday through Thursday between 7 a.m. and 3 p.m. Flaggers will be present to direct motorists around the work zone.

37. Florida's Turnpike Widening of The Homestead Extension of (SR 821) from I-75 to Turnpike Mainline (SR 91)

Description: The Turnpike will be widened from four to eight lanes. Work includes intersection improvements at Red Road/NW 57th Avenue and University Drive/ NW 27th Avenue. Additionally, sound barrier walls will be constructed along qualifying residential areas. Bridge widening, road milling and resurfacing, signage and traffic signal improvements are planned. Construction began in September 2018 will continue through summer 2022.

Cost/Completion: \$143 million/ summer 2022

Traffic Impact:

- Northbound and southbound Florida's Turnpike between I-75 and NW 27th Avenue, Overnight single lane closures, 9 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.
- Northbound and southbound Douglas Road/NW 37th Avenue in the vicinity of Florida's Turnpike, Overnight full road closure, 8 p.m. to 5 a.m., Sunday, August 25, through Thursday, August 29.

- Detour information: Northbound Douglas Road/NW 37th Avenue traffic wishing to continue north on Douglas Road will be directed to NW 199th Street, travel east on NW 199th Street to University Drive/NW 27th Avenue, travel north on University Drive to Miramar Parkway and travel west on Miramar Parkway to access Douglas Road. Southbound Douglas Road traffic wishing to continue south on Douglas Road will be directed to Miramar Parkway, travel west on Miramar Parkway to Palm Avenue/NW 47th Avenue, travel south on Palm Avenue to NW 199th Street and travel east on NW 199th Street to access Douglas Road.

Maintenance & Permit Projects:

Traffic Impact: A1A is closed to ALL TRAFFIC north of the Hillsboro Inlet Bridge between 1205 Hillsboro Mile and 1221 Hillsboro Mile in Hillsboro Beach for a Broward County Sanitary Sewer Improvement Project. Also, A1A is reduced to one lane of traffic from approximately 1063 Hillsboro Mile to approximately 1087 Hillsboro Mile. A1A through traffic must avoid this area by using US 1/Federal Highway by way of the NE 14th Street Intracoastal Waterway (ICWW) Bridge to the south and Hillsboro Boulevard ICWW Bridge to the north. For further information about this project, please contact Project Staff, by phone at 877-223-8235, email at hillsboromilesewer@broward.org, or via website www.Hillsboromilesewerinfo.com.

Traffic Impact: One lane in each direction of Sheridan Street at SE 2 Avenue will be closed Monday, February 15 through Wednesday, September 25 between 9 a.m. and 3:30 p.m. For more information about this work, please contact Lindsay Pontiff at 561-672-8236 or permit@equityfl.com.

Traffic Impact: One southbound lane of SR-7 at Oakland Park Boulevard will be closed Monday through Friday between 8 a.m. and 5 p.m. until April 10, 2020. For more information about this work, please contact Broward County Transit representative, Ralph J. Viola at 954-357-6373 or rviola@broward.org.

Traffic Impact: One eastbound lane of NE 14 Street from US-1 to NE 25 Avenue will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. One eastbound lane of Sample Road at NW 14 Avenue will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. One northbound lane of Powerline Road from NW 33 Court to Sample Road will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. One northbound lane of Powerline Road from MLK Boulevard to NW 15 Street will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. One westbound lane of Atlantic Boulevard from Cypress Road and N Dixie Highway will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. One southbound lane of Powerline Road from NW 22 Avenue to NW 21 Street will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. One northbound lane of Powerline Road from Gateway Drive to the C-14 Canal will be closed Saturday, June 1 through Tuesday, December 31 between 8 a.m. and 4:30 p.m. For more information about this work, please contact Broward County representative Eric Rush at 954-357-8462 or erush@broward.org.

Traffic Impact: One westbound lane of Grande Drive at Eisenhower Boulevard will be closed Wednesday, June 13 through Friday, September 6 between 9 a.m. and 3:30 p.m. For more information about this work, please contact Heath Figueroa at 954-806-5656 sunupinc@aol.com.

Traffic Impact: One northbound lane of US-1 from Hollywood Boulevard to Moffett Street will be closed Monday through Friday until November 15. For more information about this work, please contact Christopher Mancini at 954-809-8031 at christopherm@ric-manfl.com.

Traffic Impact: W Hillsboro Boulevard between Deer Creek Road and Powerline Road, in Deerfield Beach, will have a westbound outside lane, shoulder, and sidewalk closed, 9 AM until 3:30 PM, Monday through Friday, from Monday, July 22 through Friday, September 27, for installation of conduit. For more information, please contact Jonatan Carranza at 786-502-7446.

Traffic Impact: E Atlantic Boulevard between Venetian Drive and Gleason Street in Pompano Beach, will have either one eastbound or one westbound lane closed, 9 AM until 3:30 PM, Monday through Friday, from Friday, July 26 through Friday, October 25, for the reconstruction of intersections and addition of marked crosswalks.
