**Utah Faith Formation for Families**

This year, with many of our churches closed to public worship, finding ways to bring faith formation experiences and spiritual traditions into our homes is more important than ever. This book club is a part of a larger effort sponsored by the Diocesan Faith Formation committee to support families in their faith formation efforts and to help families connect with each other, share ideas and strengthen their sense of community.

To kick off this new program -- we will be discussing the book *Faith At Home: A Handbook for Cautiously Christian Parents* by Wendy Claire Barrie. Starting in January we will be holding weekly discussions which will culminate in a Q&A with the author herself! Your welcome to visit [wendyclairebarrie.com/](http://wendyclairebarrie.com/) for more information on the book, author and to order your book today!

To learn more and to join the book club, please join our new ***Utah Faith Formation for Families*** facebook group! We are hoping to begin connecting there and to find a meeting time that will work for the majority of people.

Warm Wishes and Merry Christmas!
