

PATHWAY HOMES NEEDS VOLUNTEERS!

Since 1980, Pathway Homes has been providing safe, stable housing and additional services for our community members who struggle with mental illnesses and co-occurring disorders. If you are interested in making a difference in the lives of the people we serve, we offer volunteer opportunities for both groups and individuals.

Be part of our community of volunteers!

The following are just a few of the ways you can help:

Volunteer as a Group

Home Improvement Projects

We need many hands to help us keep our houses and condos in the best shape possible to ensure residents have safe, comfortable homes that uplift and support them in recovery.

Landscaping Projects

Maintaining the exteriors of our properties is just as important as the interiors both for keeping residents safe and for keeping neighborhood relations positive.

Supply Kit Assembly

We need help keeping a steady supply of welcome baskets (household items) for residents moving into a home for the first time, and hygiene kits (toiletries) for currently unhoused guests who visit the Mobile Outreach Unit for a shower.

Volunteer as an Individual

Special Event Support

We rely on volunteers to support our staff in planning and executing two annual signature events, Summer of the Arts in July and the Steps to Pathways Breakfast in October.

Administrative Support

Our main office is located in Fairfax, and we have a satellite office in Reston. Individuals may contribute directly to many of our behind-the-scenes operations.

Mobile Outreach Unit Support

The recently launched MOU travels to various locations in northern Virginia and DC, offering shower facilities to currently unhoused individuals. This outreach takes many people run smoothly, and we need volunteers to support our dedicated staff.
