### Anti-Racism Taskforce:

In a typical year, the tax season culminates in the April 15th deadline for filing state and national tax returns. Although a later due date has been designated for 2021, we still associate April with "The Tax Man's Coming." Black Americans have experienced the burden and responsibility for paying taxes in a different way than the white majority.

**"How the 'Black tax' Impacts Black Wealth, Including my Family,"** (Lynnette Khalfani-Cox, Vox, Mar 24, 2021). 2019 Federal Reserve data shows the median Black household has a net worth of only \$24,100, a fraction of the \$188,200 in net worth the median white household has.

**"Why Taxes Continue to Be A Sunken Place for African Americans,"** (Kori Hale, Forbes, July 2020). When tax laws are changed to benefit those who have capital gains, many Black families do not realize any relief because they don't have qualified investments. This is just one example of the regressive nature of taxes based on income.

**"The Black Tax: Cost of Being a Black American,"** (Shawn Rochester, financial coach and author of book by the same title, 2018, 1:15 hr.). Costs associated with being Black in America, as well as what the Black community and concerned advocates can do to help close the wealth gap are explored.

**"I Need A Dollar,"** Youtube by Aloe Blacc (2011, 4:02 min.). The ballad of a man looking for a job to just make a dollar.

Meals on Wheels: Meals on Wheels will shift from Eastridge Presbyterian Women to the Hunger Action Board, with Jo Bateman being the contact person. Other than that, our church's participation remains the same, with EPC volunteers delivering meals every month.

**We are currently in need of new volunteers to deliver our church's route on the 4th Monday of each month.** The time commitment is from a Tabitha arrival time about 10:30 a.m.-10:45 and generally takes no more than 2 hours. If you are interested in being a volunteer, or want more information please contact the church office. It is also helpful to have the names of those available to sub. On behalf of the entire congregation, the Hunger Action Board wants to thank EPW for their many years of leadership in this important ministry. Special thanks to Nan Nelson for her faithful leadership.
