ADVANTAGEHEALTH PERSONAL TRAINING

TRAINING BENEFITS

Personal training has many benefits which include weight loss, increased muscular strength and decreased cholesterol and blood pressure. While many only consider these benefits, personal training offers a multitude of other benefits such as: learning new exercises to incorporate into your own workouts, knowledge of safe and efficient techniques, building effective workouts, and breaking through plateaus.

MONTHLY SESSIONS

Monthly training allows you to create a consistent schedule that makes YOU and your GOALS a priority. In addition to many other benefits, consistent monthly training will enable you to build a good fitness base, ingrain working out as a habit, reduces injury risks, and provide yourself with a regular mental boost. Sessions expire on the subscription renewal date. .

SINGLE SESSIONS

Whether you're a bigger or seasoned athlete, our professionally trained staff can customize a program based on your needs. You can purchase as many sessions as you need to meet your specific goals. Depending on the number of sessions purchased, sessions will expire three to six months from purchase date.

INDIVIDUAL TRAINING PLAN

If you're looking to jump-start your fitness routine or are training for a specific goal, try our Individualized Training Plan!

- Individual Training plans include:
 - 30-Minute Consultation to talk about your overall fitness goals.
 - Customized 4–6-week fitness plan.
 - A 45-minute session with your trainer to go over your fitness plan.

GROUP TRAINING

Groups of 2-4

Add additional motivation and accountability to your routine with Group Personal Training. Building group training sessions into your weekly workout routine will give you a structured foundation from which to build strength, lose weight or tone your body. First Session: The majority of a client's first session may be a consultation and/or fitness assessment with the trainer. This consultation is designed to set goals, learn more about the client and provide education.

Medical Release: After reviewing a client's health history and/or any fitness assessment results, it may be determined that a medical release is required before personal training can continue.

Exercise Safety: The client certifies that all answers to questions in the health history and PAR-Q are true and complete to the best of their knowledge. It is the client's responsibility to notify the trainer of any changes in their health which might affect my ability to exercise safely, as well as monitor their own physical condition throughout any sessions, and if any unusual symptoms occur, to discontinue activity and notify the trainer. The client can refuse to participate in any activity that they do not wish to do at any time during their personal training session.

Waiver: I acknowledge I have signed a Waiver of Liability and Hold Harmless agreement when I joined the Ameriprise Fitness Center, and I understand the inherent risks in participating in a program of strenuous exercise including, but not limited to, abnormal blood pressure, muscle soreness, fainting, heart attack or death.

Outside Personal Trainers: No outside trainers or coaches are allowed to use the facilities.

Evaluation: Once you have completed your sessions, you may be asked to complete a brief evaluation to determine quality of the services rendered by the personal trainer.

I certify that I have fully read and understand the policies and terms of this agreement and will comply with the contents herein. I assume all risk for my health and I know that I may discontinue training at any time without a refund.
