

LOVE INTO ACTION

June 25, 7:00-9:00PM ZOOM EVENT

... And the breeding-ground of all these tragedies is prejudice: ...prejudice of race and nation, of religion, of political opinion; and the root cause of prejudice is blind imitation of the past—imitation in religion, in racial attitudes, in national bias, in politics. So long as this aping of the past persisteth, just so long will the foundations of the social order be blown to the four winds, just so long will humanity be continually exposed to direst peril.

— Baha'i Writings

Let's talk racial & social justice

You're invited: Please join us for a ZOOM neighborhood conversation. **It's time we do our part and confront the tragedy of racism.** The Baha'is of Highland Park have brought together a panel of four local thought-leaders representing North Shore interfaith, inter-cultural, and government circles. **Headlining this event is Dr. Joy DeGruy —keynote speaker and panelist.**

Our goal: Nurture unbreakable bonds of friendship. Educate ourselves, change our hearts and take action. Let's embrace the reality that we are one human family!
