Dear Pastor,

Consider this your official welcome to the crew! We can't thank you enough for becoming a member of the Group Against Smog and Pollution (GASP) and your generous donation of \$191.30 made on 6/3/2025 - it's good to have you on our team!

Founded in 1969, GASP has been a diligent watchdog, educator, litigator, and policy-maker on many environmental issues, with a focus on air quality in the Pittsburgh region. And, we wouldn't have been able to keep up the fight for more than a half-century without members like you.

As a member, you can expect to be kept up to date on the latest air quality news, regulations, and calls to action to help improve the air we all share. We welcome you to check out our [blog](https://gasp-pgh.org/media/#blog) <https://gasp-pgh.org/media/#blog>, which we update regularly. Our website also includes a wealth of [resources](https://gasp-pgh.org/resources) <https://gasp-pgh.org/resources>, FAQs, [air quality permit documents](https://gasp-pgh.org/home/legal-watch-dog/) <https://gasp-pgh.org/home/legal-watch-dog/> and more.

GASP also puts out a [weekly newsletter](https://gasp-pgh.org/get-involved/subscribe-to-our-weekly-gasp-alerts/) that we give you the scoop on special events, volunteer opportunities, petitions and more. If you haven't signed up for them yet, you can do that at <https://gasp-pgh.org/get-involved/subscribe-to-our-weekly-gasp-alerts/>.

While the Pittsburgh region has come a long way from our "hell with the lid off" days, air pollution remains a serious threat to our health and environment. Together we can continue to fight for the healthy air we all deserve in southwestern Pennsylvania.

For clean air,
