Robyn Travers from UUCNH Accepts Scholarship

At the beginning of 2026 the UUPGH board voted unanimously to award $2,000 to Robyn Travers (Congregational Life Administrator, UUCNH) for the Young UUS……

"On behalf of the Ohio Meadville LReda chapter, we want to thank you again for your donation of $2000.00 for the leadership con. The con occurred on March 6-8th and was a huge success. The youth leaders have already started planning a con for April 25th to be held at the

North Hills, Pittsburgh church. The funds you provided allowed us to create training materials, feed the youth and sponsors all weekend and restock first aid supplies for future cons. We

did have some funds left over and it will be used as seed money for supplies for our upcoming (cont.) cons and into the future. Thank you for supporting youth lead conferences in the area, we hope to see youth lead cons brought back to the Ohio Meadville in the future thanks to your generosity. Thanks, - Robyn, Jenni, Megan, Nathan

Spring ZOOM workshop (Cultivating Kindness) by Laughing Rivers Sangha

Zoom host, George Hoguet from LRS, graciously designated his $100 compensation from the UUPGH to go toward a "future scholarship fund." The workshop was well attended and here are some pictures and video-link from LRS' Annual "Peace Walk" that was hosted by Allegheny Unitarian Universalist Church on the North Side.
