

## Leadership Information Session

Maybe you have some past leadership experience that you would like to share or would like to strengthen your leadership skills and contribute to a bright future for our beloved community. Perhaps you'd like to know how the process works and whether you might be a good fit.

At that meeting, a few UUCNH Board members will be joined by members of LDT to talk about their experiences serving in these roles and how important they are for the future of our congregation. They will be available to answer any questions you might have at that time.
