**It's time to build our 2025 plans for
Chamblee First United Methodist Church.**

**Please pray over your annual giving
commitment and make your pledge to
support the CFUMC Operating Budget.**

Generous giving is a spiritual discipline and vital to our faithful lives. Your planned, annual gifts to the Chamblee First UMC Operating Budget allow our church to share God's love with a growing community. Funds from the Operating Budget support the overall ministries and functions of the church.

Whether you're a member, regular worshipper, or active in one of our ministries, your contributions are deeply valued. Your financial commitment helps us grow in faith, share God's love beyond our walls, and make an impact locally and globally.

Our 2025 budget will be built based on your pledges of monetary gifts. We ask that you prayerfully consider the level of giving that is right for you and your family. If your situation changes during the year ahead, you may increase or decrease your 2025 commitment at any time. Thank you for your generosity!
