

[Business Update Scarborough Facebook Page](#)

Get on The BUS – We've created a Facebook page to share posts regarding business hours, temporary closures and all manner of information that you want to get out to the public.

As a business owner, you can go to the BUS on Facebook and comment on your post. You can also send information for us to post directly. If you have a post on your website or Facebook page that we can share, just let us know.

We will be looking for new material every morning to post. But feel free to send us updates any time of day.

You can send info to the following emails:
