Back by popular demand! Participants must bring their own cardboard sleds and will be judged on most decorative and farthest distance traveled. Building materials accepted: Cardboard, glue and/or tape, and paint or markers. A tractor will offer hayrides from the ice rink to the sledding hill. *This activity is snow-dependent.*

A true testament to girls kicking AXE! This all-female timber sports group will be joining us for the day to show off their skills. These ladies are world-champion choppers, sawyers, logrollers, and axe throwers! Check them out at AxeWomen.com.

* KIDS BOUNCE ZONE *

Need to warm up but still have energy to burn? Stop by our new indoor bounce zone in Wentworth Gym! A bounce zone bracelet gives kids access to all nine inflatable items (bouncy houses, obstacle courses, games, slides) from 10:00 am to 2:00 pm! Passes may be pre-purchased online at Eventbrite or in the Scarborough Community Services Office for \$10 each (\$15 day-of event). *All proceeds raised from the Bounce Zone will go to the Scarborough Community Services Scholarship Fund.*

NEW! GYM DANDIES FUNDRAISER LUNCH

The Gym Dandies will be hosting a fundraiser lunch from 11:00 am to 1:00 pm in the Wentworth Cafeteria on Saturday. Stop in to warm up and grab a bite to eat before heading back outside! We will also be showing winter-themed movies in the cafeteria throughout the day.
