

Better Hearing: A Dollars & Sense Decision

Research indicates:

60% OF 34,000,000 AMERICANS
Suffer with hearing loss and are in the workforce

Do you feel workplace isolation or know a colleague who appears left out because of their hearing difficulties?

**APPROXIMATELY
\$122,000,000,000
IN INCOME**
*Is lost due to
untreated hearing loss*

Do coworkers withdraw from important interactive meetings and not make the valuable contributions they are capable of?

**THE UNEMPLOYMENT
RATE IS TWICE AS HIGH**
*for those with
severe hearing loss
than those without*

Encourage equal income opportunities for your friends and family.
