

# Actively Referring Physicians

## *Talking Points...*

### DISCUSS:

- ▶ How previously referred patients are doing
- ▶ How easy the patient referral process is
- ▶ What specific educational information will be most helpful
- ▶ What point of care display placement will be most visible
- ▶ What quantity of point of care displays is needed
- ▶ What quantity of educational handouts is needed
- ▶ Stocking educational displays or scheduling a date to do so
- ▶ How easy it is to request additional educational handouts
- ▶ Quarterly plan to share new educational information
