

# Quality Hearing Care, For Life

*Ask Important Questions.*

*Get Trustworthy Answers*

- What technology level fits my type of hearing loss, lifestyle, and budget?
- What technology level is 3rd Party suggesting?
- What skilled testing is necessary to achieve ideal outcomes?
- Is there a fitting fee for my personalized hearing aid prescription?
- For how many years should I expect my hearing aids to last?
- What skilled maintenance is essential to ensure peak performance?
- To enjoy the latest features, how frequent are software updates?
- What is the warranty time frame on hearing aids suggested?
- Does 3rd Party's offer include all the above, for the hearing aid's expected life?
- If not all-inclusive from 3rd party, what is estimated total?
