ARE YOU AN OBAT NAVIGATOR?

The Camden Coalition works in partnership with the Division of Medical Assistance and Health Services to provide ***free*** training for navigators.

Hepatitis C

An OBAT Navigator Skills Lab

Content will focus on:

- How to clarify HepC care options and provide reassurance
- Methods to provide holistic support to patients interested in engaging in treatment
- Tools to provide support and harm reduction resources to participants experiencing hesitancy with treatment

Join us on Thursday, September 16th from 12:00 - 1:30PM
