ARE YOU AN OBAT NAVIGATOR?

The Camden Coalition works in partnership with the Division of Medical Assistance and Health Services to provide *free* training for navigators.

MEDICAL-LEGAL PARTNERSHIP

An OBAT Navigator Skills Lab

Patients receiving medications for addiction treatment (MAT) frequently face legal issues that can hinder their recovery. This skills lab covers:

- Tools that help empower you and your practice to identify barriers and advocate for your clients who are facing legal issues
- How to build relationships with key legal providers
- Resources to help you advocate for your patients such as letter of support, clarifying legal terms and more

Join us on Tuesday, June 22nd from 12:00 - 1:30PM
