

Decoy Carving Workshop – March 5-9, 2017

No experience necessary! Learn to carve your own decoy or sharpen your current carving skills under the instruction of Carver, Ed Morrison. This workshop, for adults, will be held at Holiday Lake 4-H Educational Center located at 1267 4-H Camp Rd. Appomattox, VA 24522 from Sept. 18-22. Decoys will be carved from Tupelo, a favored decoy wood, using knives and rasps. All tools are provided, personal tools are welcome. Fee of \$295.00 covers programming fees, instruction, the decoy kit, meals and lodging. For more details about the workshop and to register go to: <https://www.holidaylake4h.com/decoycarving.php>
