

# Let your voice be heard!

## Join a Youth and Young Adult Advisory Meeting!

Community Care is a nonprofit managed care organization. We oversee behavioral health care services and programs. Our belief is that behavioral health recovery is possible and that all individuals should have a voice in their treatment.

### **Purpose of Youth and Young Adult Advisory Meetings**

- Improve mental health and substance use disorder services.
- Assist in development of helpful new programs and services.
- Ask questions, share information, and make recommendations.
- Get the Youth and Young Adult voices heard and captured

### **Who can attend?**

- Community Care Members: an individual who has Medicaid (Medical Assistance).
- Reside in one of the 41 counties that is Contracted to Community Care
- Youth and Young Adults ages 14+
- If you have questions about eligibility, email is at the bottom of the page

### **Compensation for Participation**

- \$30 for attending the entire meeting. **Please bring your Vincent card to all meetings.** *If this is your first meeting, a Vincent card will be issued to you.*
- Compensation for attendance is provided only to individuals who are currently covered by Medicaid through Pennsylvania's HealthChoices program.

The next meeting for YAYA will be held virtual on April 22nd link or call in number will be sent after registered.

**\* Attendees must register at least one week before each meeting at
