

HEALTHCARE INNOVATION & CYBERSECURITY FORUM

October 16, 2025 | The Foundry on Broadway, Frankfort, KY

BGHIMSS is thrilled to invite you to the 2025 BGHIMSS Fall Symposium.

This year's symposium will bring together health IT professionals, clinicians, and thought leaders from across the region for a full day of learning, collaboration, and inspiration. The program will feature engaging presentations on innovation, practical solutions, leadership strategies, and emerging trends in health information technology and informatics.

Whether you're looking to expand your knowledge, explore new approaches, or connect with peers and partners, the Fall Symposium is the perfect opportunity to strengthen your role in the health IT community.
