

The Indian Valley Chamber of Commerce is pleased to welcome the members of the Hatfield Chamber of Commerce as new members. After 93 year of service to the community, the Hatfield Chamber of Commerce has decided to close their doors. The Hatfield Chamber of Commerce and the Indian Valley Chamber of Commerce have enjoyed a close relationship for many year. We began a conversation about merging earlier this year and the board have finalized that deal.

The operations of the Indian Valley Chamber will continue to be in Souderton, PA, with Steven Hunsberger continuing as Executive Director. We wish Larry Steven, Executive Director of the Hatfield Chamber of Commerce an enjoyable retirement.

The combined membership will provide for:

- Greater voice on behalf of the business community.

- Offer exposure and visibility for all our members.

- Continue to be a catalyst for business growth.

- Act as a strong source of collaboration

- Offer opportunities for personal and professional development

The region will be well served by the combining of these two strong Chambers and we look forward to many years of continued growth and opportunity for our members, region and economy.
