

## CHAMBER NONPROFIT CHECK PRESENTATIONS

**CAMP HILL, PA:** On Friday, November 6<sup>th</sup>, the West Shore Chamber of Commerce presented the Chamber nonprofit recipients of this year's events with checks for donation. We were happy to be able to support our nonprofit members with donations especially during this year when community individuals, businesses and nonprofits are struggling.

Taste of the Chamber is a premier culinary event that highlights the restaurant, catering and food service members' signature dishes of both the Mechanicsburg and West Shore Chambers of Commerce. Due to COVID-19 restrictions this year both Chambers decided to create a Bonus Book highlighting the sponsors, nonprofit beneficiaries and coupons from our vendors. The two nonprofit beneficiaries, Leadership Cumberland's Junior Leadership Program and Sam's Spoons Foundation, were chosen by leadership at Mechanicsburg Chamber of Commerce and the West Shore Chamber's Women in Business Roundtable Committee to receive a portion of the event proceeds.

This year's Luminary Awards Virtual Luncheon, created by our Women in Business Roundtable Committee, honored seven extraordinary female professionals nominated by their peers because of their excellence in their work environment and community. The two nonprofit beneficiaries of our Luminary Awards Virtual Event were honored with a donation check. The Shining Star Award recipient, Barrie Ann George of Safe Harbour, Inc., chose her respective organization as her nonprofit beneficiary and the Visionary Award recipient, Molly Helmstetter, CFRE of New Hope Ministries, also chose her respective organization as her nonprofit beneficiary. This is the seventh year that the Chamber has been able to give back to two nonprofits.
