

MAKE YOUR VOICE HEARD ON **JUNE 3**

Please join working people from across the country for a national day of action on **Wednesday, June 3**. We are calling on all AFL-CIO bodies to organize events as a bold response to the COVID-19 crisis:

AMERICA'S FIVE ECONOMIC ESSENTIALS

- 1 Keep front-line workers safe and secure.
- 2 Keep workers employed and protect earned pension checks.
- 3 Keep state and local governments, our public schools and the U.S. Postal Service solvent and working.
- 4 Keep America healthy—protect and expand health insurance for all workers.
- 5 Keep America competitive—hire people to build infrastructure.

To find an action near you or create your own, visit go.aflcio.org/caravan.
