HELPING TENNESSEE'S CHILDREN AND YOUR COMMUNITY

When you participate in this year's tourney, you will be doing more than you might expect to help needy children in our area. The Lions of Humboldt have a renewed vision to see valuable eye care services offered to children in West Tennessee with the hope of eliminating all preventable sight disorders and blindness. By taking part in this golfing event, you are aiding us in seeing our goals become a blessed reality.

We have also made a decision to develop more community based outreach efforts to improve the quality of life here in "our own back yard." With proceeds from this golf tournament, we plan to focus on various youth and senior citizen projects. Your generous donations and participation are crucial to the effectiveness of our long range planning and goal setting. Thank you so much for what you have contributed to this effort in the past and for what you may contribute to it in the future. With your help, we can see lives changed and children saved from preventable eye disorders and blindness.

LIONS FACT SHEET

We are the Lions of Humboldt, Tennessee and serve in District 12-L. Our club is made up of a diverse group of men and women and we truly enjoy serving our community. Like most Lions Clubs around the globe, our emphasis is on sight service. We assist many people every year with needs such as:

- Sight and hearing testing / screening for the students of our public schools.
- Assistance with furnishing eyeglasses and hearing aids for underprivileged people at reduced pricing or at no cost if certain criteria are met.
- Sight testing / screening of infants and preschool aged children in area daycare facilities. New technologies allow us to spot certain conditions, even in infants, that would lead to serious sight related problems if left undetected.
- We refer people with more advanced sight related issues to receive care in Memphis, Tennessee. Here they can get care from Mid South Sight and Hearing Services.

We also support many, many worthy causes and organizations around our community such as:

- Humboldt Public Library
- Humboldt Higher Education Center
- Youth Baseball
- Scholarships for Humboldt High School students
- Humboldt Senior Citizens Center
- Christmas baskets for needy families
- Many, many more...
