

The background of the top half of the poster is a photograph of a dark, stormy sky with multiple bright lightning bolts striking down. Below the horizon, a dark silhouette of trees and a field is visible.

STORMS

WHEN THUNDER ROARS, GO INDOORS!

Lightning can strike up to 10-15 miles away from the center of the thunderstorm.
Stay inside for at least 30 minutes to resume outside activities.

- **Stay away from downed power lines.**
- **Never move debris within 10 feet of a power line.**
- **Have non-perishable food and water stocked up.**
- **Keep the refrigerator and freezer doors closed.**
- **Let us know if you have a generator - this protects you and our linemen that work to restore power.**

We are here for you!
