

## ***The Big Green Box***

**Please stay away from pad-mounted transformers (the big green box)  
Pad-mounted transformers carry high voltages of electricity.**

- Never touch, climb or play on pad-mounted transformers. Never put fingers, sticks or other objects through the cracks in the transformer.
- Keep areas surrounding the pad-mounted transformer clear so that the CCPPD linemen can safely maintain transformers as needed. Keep shrubs and structures at least 10 feet away from the transformer doors and 4 feet away from the sides.
- Never dig near a pad-mounted transformer. They are surrounded by underground cables. Hitting the cable could result in electrical shock or disruption of service. Always call 811 before you dig.
- Report problems to CCPPD at 402-372-2463. If you notice anything amiss, like an unlocked transformer or one that has been damaged, please contact us immediately.
