

What is the Season of Creation?

The Season of Creation is a time in the Christian liturgical calendar to celebrate, to honor and to care for Creation. This year, the theme of Season of Creation is pulled from the text of Isaiah 32:14-18, where the prophet Isaiah pictured the desolated Creation without peace because of the lack of justice and the broken relationship between God and humankind.

How can I get involved?

This year, during the Season of Creation, our friends at Creation Justice Ministries (CJM) are aiming to promote “peace with Creation” through public witnesses across the country. Together, we will highlight the threats to the environment, while calling on the U.S. government to have moral courage and promote a right relationship and peace with Creation.

Join us at **September 9th at Desert Botanical Garden at 8AM** as we witness for Creation Justice together. Admission to the Garden is included with your free registration.
