

# SCHOOL'S OUT DAY CAMP

\$45

  
Ages 5 -11

Calling all child adventurers! Join us for an unforgettable No School Camp. Spent your day off with exiting and educational activities like STEM projects that connect to the season of love and friendship where you will explore creative and hands-on science, technology and engineering and fun Math.

## Valentines Day Themed

Celebrate the season of love and friendship with a fun-filled day of Valentine's-themed activities! Creating crafts and enjoy sweet treats.

## Esports

We'll spark creativity and learning through Minecraft Coding, where you'll program your own worlds.

## STEM

STEM with the spirit of love and friendship! Campers will engage in hands-on activities that explore science, technology, engineering, and math, all with a festive twist.
