

## WILCE STUDENT HEALTH CENTER

### PHYSICIAN LEADER

The Ohio State University's, Student Health Services is hiring for a Physician Leader to collaborate with a multi-disciplinary team of physicians and other health care professionals to provide primary care, and clinical services, primarily to students of The Ohio State University. This position provides direct medical care in a primary care setting, including routine and urgent visits by appointment and mass programs; performs procedures and other special tasks, based on skills, interests, and privileging; participates in quality improvement and other administrative activities.

The Physician Leader works in conjunction with the Medical Director to promote a team based approach to the delivery of care with medical providers at all levels, provides leadership to the clinical unit and performs administrative duties which include but are not limited to recruitment, supervision, competency assessment, training, and coordination of staffing assignments; monitors performance and provides feedback on a regular basis, assigns tasks, provides instruction, and monitors completion of assigned work. The successful candidate is expected to set a positive example for others to follow in their clinical expertise, patient satisfaction and medical record keeping responsibilities.

### QUALIFICATIONS:

Doctorate or an equivalent combination of education and experience; completion of residency training program in Family Medicine or other field relevant to college health; Board certification in a specialty recognized by the American Board of Medical Specialties; current unrestricted license to practice medicine in Ohio; unrestricted DEA registration; must have current BLS-HCW certification upon hire; commitment to working in a multicultural and diverse setting; once hired credentialing through OSU Wexner Medical Center; maintenance of certification is required throughout employment.

Student Life Student Health Services (SLSHS), is a Joint Commission accredited outpatient facility providing a variety of health care services to the student population. All students enrolled at the university are eligible to use SLSHS, regardless of insurance.

Columbus, Ohio's capital city (15th largest city in the country) has it all. From historic communities and suburban living to college crowds and nightlife – Columbus is a friendly Midwestern town with metropolitan style. The city is renowned for its leading technological companies, vast academic resources, thriving industry and eclectic mix of entertainment, dining, and shopping.
