Job Title: Family Medicine Residency Program Director

Location: Mobile, AL

Institution: USA Health Family Medicine

Seeking a Family Medicine Residency Program Director

Join the most comprehensive healthcare organization on the Alabama Gulf Coast

- Replace the current Program Director who is being promoted to Chair of the Department
- Residency Program is a university-based program with 100% board pass rate with graduates well prepared for full scope family medicine care
- 2-3 1/2 days of clinic, 3 1/2 days of precepting, plus dedicated administrative time
- Minimum of 2 years academic experience
- Seeking provider with passion for working with underserved patients
- Skillset in OB is welcomed, but not required
- Competitive base salary, admin stipend, 39 days of PTO, and more!

"The Gateway to the Gulf"

- Located on the Gulf Coast with one of the busiest ports in the country
- Vibrant and growing metro area with a desirable cost of living (15% less than national avg)
- Quick beach access, breathtaking sunsets, award-winning restaurants, and abundant cultural and historic attractions
- "2nd Best Summer Destination in 2023" by USA Today
- International Airport coming in Spring of 2025!
