

CHAIR OF THE DEPARTMENT OF OBSTETRICS AND GYNECOLOGY
THE METROHEALTH SYSTEM
Cleveland, Ohio

This is an unparalleled opportunity for an innovative executive with a desire to lead a prestigious clinical, educational, and research enterprise, and serve as an integral leader of MetroHealth during a period of transformative change across the healthcare industry. The new leader will be part of a mission-driven system that educates health professionals and scientists and provides leading-edge patient care, community service and research with global impact. The campus is undergoing a billion-dollar transformation that includes a new hospital tower, additional state-of-the-art facilities, new L&D and NICU suites, impactful population health initiatives, and a reimagined campus environment that foregrounds the health and well-being of employees, as well as patient.

The **Chair of OB/GYN** will be a strong advocate for balancing the academic, educational and clinical missions within the Department and a willing collaborator with colleagues outside of the Department. The Chair will promote a culture of institutional stewardship and transparency, including a commitment to improved clinical operations, efficient and effective use of space, and a willingness to realign resources with evolving institutional strategies. Above all, the new Chair of OB/GYN will help MetroHealth adapt and thrive in the evolving healthcare industry and will inspire the organization to deliver on its vision of being the most admired public health system in the nation, renowned for innovation, outcomes, service and financial strength.

The Chair must be a compelling leader and a recognized educator and/or investigator whose passion for the educational, clinical, and research missions energizes the faculty, staff, and learners in a culturally competent and culturally sensitive manner:

- 7+ years of progressive management experience in the field of OB/GYN, preferably in a teaching institution, health center, and/or community hospital.
- Distinguished record of academic experience and research productivity.
- National recognition as evidenced by involvement in academic societies at a national level and track record of sustained scholarship.
- MD, MD/PhD, DO, or equivalent.
- Board certification in OB/GYN; must be able to practice medicine in the State of Ohio,
- Completion of an accredited OB/GYN residency program; OB/GYN subspecialty fellowship preferred.
- Preferred advanced degree in management, i.e., MBA, MPH, or MHA.

The MetroHealth System is a nationally ranked non-profit, public health care system and one of the largest, most comprehensive healthcare providers in Northeast Ohio. MetroHealth operates an integrated network of health care facilities and programs that provide a full range of health care services, including acute inpatient hospital and outpatient care, primary care and rehabilitative and other specialty services, together with long-term nursing care. MetroHealth participates in The Case Western Reserve MetroHealth Medical Center Residency which is a fully accredited four-year training program, and also offers ACGME accredited MFM and Female Pelvic Medicine & Reconstructive Surgery fellowships in partnership with University Hospitals and Case Western Reserve University. MetroHealth has never been more aligned and integrated, as reflected in outstanding clinical growth and financial success.

Cleveland, Ohio is located on the southern shore of Lake Erie, near the mouth of the Cuyahoga River. The area offers a mix of history and modern sophistication. The area's economy has diversified sectors that include manufacturing, financial services, healthcare, and biomedical. Cleveland is home to 3 major league sports teams and is recognized as the 10th most philanthropic city in the nation.

Nominations are greatly appreciated and may be sent to:
