

UNIVERSITY OF MIAMI
MILLER SCHOOL
of MEDICINE

Chair, Department of Psychiatry and Behavioral Sciences

The Miller School of Medicine at the University of Miami and the University of Miami Health System invites applications and nominations for the position of **Chair, Department of Psychiatry and Behavioral Sciences**.

The Department of Psychiatry and Behavioral Sciences at the Miller School of Medicine is a national and international leader in innovative education, research and scholarship, and clinical care in the behavioral sciences. The Department is poised for growth and transformation, and the next Chair will have the opportunity to re-shape the Department through expanded clinical operations, new interdisciplinary and translational clinical research programs, and leveraging the existing strengths of funded faculty research in the Center for Cognitive Neuroscience and Aging and other luminary programs.

The new Chair will be an outstanding leader and skilled physician scientist, widely recognized in the field with a strong track record of program building and innovative leadership. She/he must be a respected leader who is operationally savvy, highly knowledgeable of cutting-edge behavioral health care, and a visionary leader in the new age of academic psychiatry. The next Chair will inherit an exceptional foundation for the inevitable transformation of a Psychiatry Department into one that is highly ranked and recognized for leading edge clinical care and exceptional education of its trainees.

The Academic Health Center Practice of Korn Ferry is assisting the University of Miami School of Medicine. with this important search. Please forward, as soon as possible, your application, including letter of interest, or nominations of appropriate candidates to:
