

Cheshire Medical Center/Dartmouth-Hitchcock (CMC/D-H) has retained WittKieffer to assist in their search for a Senior Medical Director.

CMC/D-H, a member of the Dartmouth-Hitchcock Health system, is a nonprofit community medical center that is accredited for 169 beds. It is the largest employer in the Monadnock Region and provides a continuum of care spanning primary care and specialty medicine, to surgical services and acute inpatient care. CMC/D-H is located in Keene, New Hampshire and has been serving the healthcare needs of the community for 125 years.

The Monadnock Region, commonly referred to as the Currier and Ives corner of New Hampshire, is geographically situated in the heart of New England. In a few hours or less, you can be in Boston, Hartford-Springfield, Montreal, Portland, or New York.

The Senior Medical Director will report to the Associate Chief Medical Officer (ACMO), Cheshire Medical Center/D-H and will serve as Co-Chair of the Dartmouth-Hitchcock Keene Provider Leadership Council. The Senior Medical Director will be responsible for the oversight of clinical quality and medical standards of care for the Acute Care Services. S/he will work collaboratively with other executives and clinical leaders across the organization to create best-in-class systems and clinical initiatives aimed at improving quality and safety outcomes across the Acute Care continuum of care.

The successful candidate will be a leader who is viewed as a respectful, collaborative, team player and excellent communicator that can lead with integrity and influence. S/he will be a board certified physician with and experienced in an administrative capacity as a Medical Director, Senior Medical Director or Executive Medical Director.
