

DIRECTOR OF CYTOPATHOLOGY LEADERSHIP OPPORTUNITY OKLAHOMA UNIVERSITY DEPARTMENT OF PATHOLOGY

Merritt Hawkins academic recruiting division has partnered with a top ranked academic program in the efforts to recruit additional leadership within the Department. We are seeking experienced leaders with strong academic backgrounds to join the Department serving as either the Director of Cytopathology or the Director of Gynecological Pathology and Women's Cancers. This thriving, institution is seeking an Anatomic Pathology Leaders with an interest in conducting collaborative or independent scholarship as well as educational/teaching participation. In addition to you serving in a leadership role and playing an integral part in growing this established program, you will have the ability to pursue additional scholarly activity interests. Both leadership positions provide a unique balance of practice fulfillment and quality of life. University of Oklahoma Health Sciences Center is seeking candidates with an interest in leadership, research, teaching, and the desire to participate in the growth of the Department.

Position Highlights:

- Join a collegial pathology department with a very supportive chair
- Work with the department's seven PhD principal investigators in cancer biology and nanotechnology
- Be part of a rapidly expanding NCI-designated cancer center with one of the highest ranked clinical trials programs in the nation
- Access modern translational research core laboratories
- Develop your national reputation in your area of expertise
- Teach medical students, graduate students, pathology residents, and fellows
- Enjoy a competitive salary with comprehensive benefits package

Candidate qualifications:

- Board certification in AP or AP/CP with at least five years of recent experience in an academic setting
- A strong academic background including a track record of publishing, leadership ability, and administrative skills
