

### Chair, Department of Medicine

NorthShore University HealthSystem invites applications and nominations for the position of **Chair, Department of Medicine**.

NorthShore University Health System, headquartered in the Chicago suburb of Evanston, IL, is a comprehensive, fully integrated healthcare delivery system with 4 hospitals – Evanston Hospital, Glenbrook Hospital, Highland Park Hospital and Skokie Hospital. The system has more than 2,400 affiliated physicians, including a 975-physician multispecialty group practice serving in over 130 sites, including hospitals, primary & multi-specialty offices, Immediate Care, and comprehensive ambulatory care centers. NorthShore is ranked among the Best Hospitals in Chicago (U.S. News & World Report) and is also consistently named annually as one of the "Top 100" Hospitals in the country (IBM Watson Health). Further, as the primary teaching affiliate of the University of Chicago Pritzker School of Medicine, NorthShore is dedicated to excellence in its academic mission and supports teaching and research. Some 300 residents, fellows, and medical students are at NorthShore facilities as part of the University of Chicago training program.

NorthShore's Department of Medicine is the largest clinical department in the system and includes a full range of medical subspecialties. Over the last 10 years, the Department of Medicine has experienced considerable growth. During that time the Department has increased the number of professional staff members to approximately 1,000 physicians, including 430 employed and over 500 affiliated physicians. In addition, the DOM supports over 100 medical residents and fellows. The Department is poised for continued growth and the next Chair will play a key role in developing a strategic vision and establishing internal and external relationships to take the Department to the next level of excellence.

The next Chair of the Department of Medicine will possess a minimum of five (5) years of administrative experience as a Chair, Vice Chair, Division Chief or similar position, be a graduate of a nationally accredited and recognized medical school, be board certified, and be/become eligible for medical licensing in the State of Illinois. The successful Chair will be a respected clinician, academic leader, and have demonstrated success with program growth. For a comprehensive position description, including a full list requirements and responsibilities, please see contact information below.
