

Section Chief of Psychiatry Central Michigan University Medical Education Partners

Central Michigan University College of Medicine and CMU Medical Education Partners are seeking an experienced candidate with proven leadership abilities and an academic pedigree to serve as Section Chief of Psychiatry.

Successful applicants will be eligible for an appointment at the Associate or Full Professor level, have prior leadership experience, and a passion for patient care and education. Furthermore, the successful candidate will be able to mentor junior faculty in scholarly development. Candidates from any psychiatric sub-specialty are welcomed and encouraged to apply.

This is a wonderful opportunity that will allow the incoming physician leader to build programs and make an impact. Mentoring junior faculty in an academic and scholarly areas and clinical professional development is a key element of the position. Additionally, the incoming Section Chief will be responsible for coordinating and supervising the activities of the psychiatry team, developing programming in the community, overseeing UME and GME, ensuring and expanding clinical partnerships, among other responsibilities appropriate of Section Chief.

The department consists of ten attending psychiatrists, 24 residents and four child and adolescent fellows. Clinical partnerships include inpatient and outpatient settings, consult liaison services, and integrated behavioral health services.

CMU Partners is located in Saginaw, MI, on the banks of the Saginaw River and the Shores of Lake Huron. Less than two hours from Detroit, Lansing and Grand Rapids, you will have convenient access to major metropolitan areas, while living in a smaller city or suburb community. Living in Central Michigan provides you the beauty of all four seasons without being notably colder than the national average, and also provides a cost of living below the national average. Our community features an astounding array of parks, amenities and attractions, suitable for residents of all backgrounds, ages and life stages.
