

## **Director, Public Health Sciences**

Wake Forest Baptist School of Medicine announces a national search for the ***Director, Public Health Sciences***.

The Wake Forest School of Medicine is seeking a seasoned leader as Director of Public Health Sciences (PHS). The academic flagship of Wake Forest Baptist Medical Center is Wake Forest School of Medicine and among its most highly regarded units is the Division of Public Health Sciences, which includes PHS includes 63 faculty and 176 staff in four vibrant academic departments: Biostatistical Sciences, Epidemiology & Prevention, Implementation Science, and Social Sciences & Health Policy. It brings a unique, interdisciplinary approach to population health and clinical research, and to the generation, management and interpretation of basic science, clinical and health-related information. Its multidisciplinary public health scientists have world class expertise in cardiovascular disease, diabetes, obesity, substance abuse, cancer control, community-based participatory research, health related quality of life, women's health, population genetics, statistical methods, study coordination, bioinformatics, and neuroepidemiology. Core to its mission is to collaborate on School of Medicine, health system, and cross-university research initiatives and serve as a bridge to the community at large.

Wake Forest Baptist Medical Center (WFBMC) consists of Wake Forest School of Medicine, North Carolina Baptist Hospital and other affiliated hospitals, and Wake Forest Innovations. Taken together, there are about 14,000 employees at WFBMC within Forsyth County.

Wake Forest Baptist Medical Center is an affirmative action and equal opportunity employer with a strong commitment to achieving diversity among its faculty and staff.
