

NORTHWESTERN UNIVERSITY IMPLEMENTATION SCIENCE ACADEMY

Rinad Beidas, PhD

Sara Becker, PhD

Allison Carroll, PhD

APRIL 20 - APRIL 22, 2027

- Pre-academy offerings include foundational material presented via asynchronous videos and synchronous “office hours” with course directors to engage with the material and start project development.
- The 3-day in-person training will focus on deep engagement and intensive project-based learning with intermediate implementation science topics
- After the training, participants will receive follow-up technical assistance to continue to develop their projects

ACADEMY INFORMATION

- Cost: \$3,500
- Accepted applicants notified by end of January
- Up to 40 participants anticipated for 2027

"This was one of the best workshops I've been to. The organization, content, small group work, references were spot on."

-ISA 2026 Attendee

APPLICATION INFORMATION

- Submit a CV, biosketch, or resume
- Submit a concept paper (1 page; specific aims format is acceptable) describing your project, including:
 - What is the “thing” you are trying to implement?
 - What is your setting?
 - What strategies are/will you use?
 - How will you evaluate your initiative?
- Submit a description (up to 250 words) of what you hope to get out of this training, including:
 - Why are you interested in learning about implementation science?
 - How will you use what you learn in the future?
