

Nicklaus Children's Health System
Director of Ambulatory Outpatient Pediatric Cardiology in Palm Beach Gardens, Florida

The Nicklaus Children's Health System (NCHS) in beautiful Palm Beach Gardens, Florida, is seeking a pediatric cardiologist for a Director of Ambulatory Outpatient Pediatric Cardiology position. Renowned for excellence in all aspects of pediatric medicine and with many programs routinely ranked among the nation's best, NCHS is the region's only healthcare system exclusively for children. The hospital is also home to the largest pediatric teaching program in the southeastern United States. The successful candidate will have a passion for and experience in outpatient cardiology, including fetal echocardiography, and networking with the local neonatologists, MFM's, and pediatricians.

Opportunity Highlights

- Leadership opportunity at a highly reputable health system
- Primarily outpatient-based pediatric cardiology with fetal echocardiography
- Develop and grow the pediatric cardiology service by networking with the local neonatologists, MFM's, and pediatricians
- Well-established, robust, and thriving program that sees the whole range of pediatric cardiology cases
- NCHS is renowned for excellence in all aspects of pediatric medicine, with many programs routinely ranked among the nation's best
- Home to the largest pediatric teaching program in the southeastern United States.
