

Knowledge that will change your world

**Director, O'Neal Comprehensive Cancer Center
The University of Alabama at Birmingham**

UAB is seeking applications and nominations for the position of *Director, O'Neal Comprehensive Cancer Center*.

The O'Neal Comprehensive Cancer Center is in its 47th year of continuous funding from the National Cancer Institute and it remains one of the premier NCI-designated cancer centers in the United States and the only NCI designated comprehensive cancer center located in an area that includes Alabama, Mississippi, Louisiana, and Arkansas.

The Director will have the opportunity of leveraging the existing strengths of an already outstanding Center; this includes the tailwind from a recently renewed CCSG and a strong array of competitive research programs including cancer cell biology, inflammation, immunology, neuro-oncology, experimental therapeutics, cancer chemoprevention, and cancer control and population sciences. The recent gift of \$30 million from the O'Neal family will allow the center to continue its impact through transformational research, patient care, education and prevention.

The new Director will be an outstanding leader and skilled physician and/or scientist, widely recognized in the field with a strong track record of funded, impactful research. Candidates for this position will have an M.D., M.D./Ph.D., or a Ph.D. with significant leadership and managerial experience, preferably within an NCI-designated cancer center.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans.

A pre-employment background investigation is performed on candidates selected for employment. In addition, physicians and other clinical faculty candidates who will be employed by the University of Alabama Health Services Foundation (UAHSF) or other UAB Medicine entities, must successfully complete a pre-employment drug and nicotine screen to be hired.
