

Maimonides Medical Center has announced a search for their next Chair, Department of Obstetrics and Gynecology.

A vital and thriving non-profit, non-sectarian hospital in the heart of New York City, Maimonides Medical Center is the preeminent treatment facility and academic medical center in Brooklyn. With 24 fully accredited residency and fellowship programs, over 400 residents, 300 full-time faculty, 550 voluntary attending physicians, 4,500 employees and 700 inpatient beds, Maimonides is one of the largest independent academic medical centers in the country.

Maimonides is a leading provider of comprehensive Obstetrics & Gynecology Services and is responsible for more than 8,000 labor and deliveries every year, the most in New York State, with one of the lowest C-section rates. The Department has a robust set of programs including a fully accredited residency program and 3 fellowships. This position requires a dynamic, passionate and experienced physician leader with a proven track record across the spectrum of collaborative clinical leadership, major administrative experience, program development, educational excellence, successful faculty recruitment, and community engagement.

The executive search firm Spencer Stuart is assisting Maimonides with this important recruitment. To submit an application or nomination, please contact Shannon Yeatman at syeatman@spencerstuart.com.
