

Job Title: Division Chief of Pediatric Emergency Medicine | Southeast

Location: Mobile, AL

Institution: USA Health Emergency Medicine

DIVISION CHIEF of PEDIATRIC EMERGENCY MEDICINE

Overview

Our division is renowned for excellence in clinical care and education, dedicated to improving outcomes for children across our region. As the director, you will have the opportunity to shape the future of pediatric emergency medicine by:

- Expanding and enhancing our clinical care capabilities to meet the needs of a diverse patient population.
- Developing cutting-edge educational programs that inspire the next generation of physicians.
- Spearheading new avenues of scholarly research to advance pediatric emergency medicine.
- Building a diverse and talented faculty team committed to excellence.
- Identifying emerging areas of focus and innovation within the field.
- Mentoring and nurturing the academic growth of our faculty and advanced practice providers.

Key Responsibilities

- Develop and execute a visionary long-term strategy for the division.
- Lead innovation in clinical care to optimize patient outcomes.
- Ensure the fiscal health and sustainability of our pediatric emergency department.
- Establish a robust clinical research program.
- Foster collaborative efforts to enhance patient care and outcomes.
- Recruit, support, and develop top-tier talent within our division.
- Advocate for faculty and invest in their professional development.
