

## **SSM Health President, St. Joseph Hospital – St. Charles and St. Joseph Hospital – Wentzville**

SSM Health, an innovative and nationally recognized non-profit, multi-state Catholic health system is seeking a collaborative, forward thinking healthcare executive, with a track record of producing strategic growth, to lead two Ministries (hospitals) in the St. Charles, Missouri market. St. Joseph Hospital – St. Charles is iconic in the area and has been providing high quality healthcare services to the community since 1885. St. Joseph Hospital – Wentzville provides 24-hour emergency care and a full range of ambulatory services and serves as an anchor for the full spectrum of behavioral health care in the region.

Reporting to the Academic and Regional President for SSM Health – St. Louis, the President, St. Joseph Hospital – St. Charles and St. Joseph Hospital – Wentzville is responsible for the growth, operations, and financial results for two Ministries within the St. Charles Market.

### **Key Responsibilities and Accountabilities:**

- Establishes quality health services in accordance with the philosophy and mission of the organization and is accountable for the day-to-day operations of the two facilities.
- Participates in both strategic and operational decision making to accomplish the key priorities and objectives of the Ministries. Operationalizes business plans for the two Ministries. Translates initiatives into action plans at the departmental level with appropriate performance measures. Assumes fiscal responsibility through budgetary planning and implementation.
- Represents SSM Health and the St. Joseph Hospital – St. Charles and St. Joseph Hospital – Wentzville Ministries with local, state-wide, and national legislative, regulatory, business and community groups.
- Works collaboratively with and supports Catholic directives.
- Ensures financial goals are achieved for the assigned operating units. Establishes and monitors process improvement initiatives to achieve value-based outcome metrics.

### **Qualifications:**

The President position is an excellent opportunity for a strategic healthcare executive with outstanding leadership competencies, extraordinary relationship building skills, and a track record of exceptional operational and financial performance.

#### **Education:**

- Master's degree or equivalent clinical degree required in health or hospital administration, business administration or a related management or clinical field.

#### **Experience:**

- Ten years of experience with five years in leadership.
- Demonstrated success within multi-hospital health system is highly preferred; effective in a matrixed environment.
- Significant background in working through local, system, regional stakeholders to accomplish objectives.
- Demonstrated competence in providing successful leadership and management of a healthcare organization through a period of transformation and growth.

### **SSM Health:**

SSM Health is a Catholic, not-for-profit health system serving the comprehensive health needs of communities across the Midwest through a robust and fully integrated health care delivery system. The organization's 40,000 employees and 11,000 providers are committed to providing exceptional health care services and revealing God's healing presence to everyone they serve.

SSM Health currently operates in four states (Illinois, Missouri, Oklahoma, and Wisconsin) through 23 hospitals and 290 physician offices and other outpatient and virtual care services, 10 post-acute facilities, comprehensive home care and hospice services, a pharmacy benefit company, a health insurance company and an accountable care organization. It is one of the largest employers in every community it serves. The SSM Health St. Louis Region comprises eight hospitals, nearly 2,500 staff physicians and 11,500 employees. The region is committed to serving the comprehensive health needs of St. Louis area residents. SSM Health System net operating revenue for FY2020 was \$8.2B.

**SSM Health St. Joseph Hospital – St. Charles:**

Located conveniently in historic, downtown St. Charles, St. Joseph Hospital – St. Charles is a full service, acute care hospital with 333 beds. It is a Joint Commission-certified Primary Stroke Center and the only Level I Time Critical Diagnosis STEMI Center located in St. Charles County. SSM Health St. Joseph Hospital – St. Charles was the first hospital in St. Charles County, established in 1885. The hospital is an icon for the community and has continuously served the evolving health care needs of the local community throughout its history.

**SSM Health St. Joseph Hospital – Wentzville:**

SSM Health St. Joseph Hospital – Wentzville is a high-quality, health care provider to residents of western St. Charles, Warren, Lincoln and Montgomery counties offering 24-hour emergency department and ambulatory services, with convenient access to outpatient programs, including diagnostic, cardiology, pulmonary and rehab services. Behavioral health inpatient and outpatient care is an integral part of the services St. Joseph Hospital – Wentzville provides.
