

## **MUSC - ANMED Health Clinical Campus Dean**

The Medical University of South Carolina College of Medicine and AnMed Health are inviting applications and nominations for the position of Clinical Campus Dean at the medical school's regional clinical campus in Anderson, SC. The clinical campus is home to a Primary Care Parallel Curriculum Track that has a maximum of 24 students in year 3 and year 4 of medical school. The clinical campus dean provides academic leadership for the campus and oversees the implementation of the medical education program, adherence to education standards, student support services and faculty development in close collaboration with the Charleston (main) campus.

AnMed Health is a 561 bed, three hospital system with a medical staff of over 450. Anderson, SC is nestled among deep lakes in the beautiful foothills of Upstate SC near Clemson University. The area is a wonderful place to work and live with various outdoor activities readily available.

Position Description: Full time (1.0 FTE) position, employed by AnMed Health.

### **Campus Dean (0.6 FTE)**

- Provide leadership for the clinical campus of the medical school that includes two assistant deans (student affairs and curriculum), clerkship and rotation site directors, campus faculty, and education coordinators.
- Ensure comparability in the education program for teaching, assessment and education outcomes.
- Ensure campus compliance with all relevant education standards, policies and academic standards of the medical school and university.
- Ensure effective collaboration and communication between the regional and parent campus.
- Provide leadership for development of faculty for teaching, assessment and professional growth.
- Report directly to the MUSC College of Medicine Dean.
- Serve on key education program committees in the medical school pertinent to the clinical campus operation.
- Represent and promote the regional campus to medical school applicants.

### **Designated Institutional Officer (DIO)/Director of Medical Education (DME) (0.2 FTE)**

- Serve as DIO over a highly successful solo Family Medicine Residency of 33 residents and 2 Sports Medicine fellows
- As Director of Medical Education, oversees all medical trainees on the campus as well as management of the CME programs and accreditation process.
- Serve as senior educational leader for AnMed Health, directly reporting to the Chief Medical Officer and serving on the Medical Executive Committee.

Clinical responsibilities would be assigned up to 0.2 FTE.

**Qualifications:** The applicant should be a board-certified physician with a minimum of the following: 7 years of experience in clinical practice, 5 years of experience in undergraduate medical student education, and 5 years of experience in graduate medical education.

Please submit nominations, applications and inquiries to [stoney.abercrombie@anmedhealth.org](mailto:stoney.abercrombie@anmedhealth.org).
