

Position title: Division Chief of Adult Cardiac Anesthesiology

Location: New Haven, CT

Recruiter name: Jay Torio

Division Chief of Adult Cardiac Anesthesiology - Yale School of Medicine | Leadership Opportunity within a World-Renowned Cardiac Program | Live and Work in the Heart of New England

The Department of Anesthesiology at the Yale School of Medicine is seeking an outstanding leader to be the Division Chief of Adult Cardiac Anesthesiology. The new chief will lead the Department of Anesthesiology in all aspects of cardiac anesthesia and collaborate closely with the Vice Chair of Clinical Operations on all matters related to the clinical enterprise. Candidates must be board-certified in anesthesiology and advanced perioperative transesophageal echocardiography or equivalent.

Opportunity Highlights

- Leadership opportunity within a world-renowned cardiac program
- Work at one of the world's most prestigious universities
- The Yale School of Medicine is one of the world's leading centers for biomedical research, advanced clinical care, and medical education
- Work closely with perioperative services leadership and all subspecialty anesthesia leadership
- Handle all clinical matters on the provision of anesthesia services for cardiac procedures in the main operating room suites, cardiothoracic intensive care unit, cardiac catheterization labs, and electrophysiology labs

Candidate qualifications:

- Board-certified in anesthesiology
- Board-certified in advanced perioperative transesophageal echocardiography or equivalent
- Eligible for medical licensure in Connecticut
- Eligible for the position of associate or full professor in the Yale School of Medicine
- Strong communication, team leadership, and organizational skills
- Prior leadership experience preferred

Yale University is an affirmative action/equal opportunity employer. Yale values diversity in its faculty, staff, and students and strongly encourages applications from women, persons with disabilities, protected veterans, and members of underrepresented minority groups.

The Yale School of Medicine is one of the world's leading centers for biomedical research, advanced clinical care, and medical education. It ranks seventh among medical schools receiving funds from the NIH. More than 1,800 Yale Medicine physicians care for patients from across the region and worldwide. The Yale system of medical education, with its emphasis on critical thinking and independent student research, has produced leaders in every field of academic medicine. Located alongside the Long Island Sound in a beautiful Connecticut town, New Haven offers its residents a remarkable quality of life and convenient access to New York City, Boston, and Providence.

Community Highlights

Located alongside the Long Island Sound, New Haven, Connecticut, is a charming community offering a remarkable quality of life. Surrounded by inviting communities and gorgeous scenery, it provides a unique range of cultural, historical, recreational, and educational amenities that make it a desirable place to live and work.

- Four distinct seasons and endless opportunities for outdoor recreation, including swimming, sailing, skating, hiking, biking, and golfing
- Excellent public and private schools as well as local colleges and universities
- Convenient access to New York City, Boston, and Providence, RI
- Ranked #15 by Niche in “Most Diverse Cities in America”
