

**UNIVERSITY OF UTAH, SPENCER FOX ECCLES SCHOOL OF MEDICINE**  
**DEPARTMENT OF INTERNAL MEDICINE**  
**CHIEF, DIVISION OF ONCOLOGY**  
**SALT LAKE CITY, UT**

The Spencer Fox Eccles School of Medicine and Huntsman Cancer Institute at the **University of Utah** in partnership with Korn Ferry, seek an exceptional medical oncology leader to serve as the **Chief for the Oncology Division**. This is a remarkable opportunity for a dynamic academic leader to further the growth and innovation of this vibrant program's clinical, research, educational, and other programmatic missions.

The Oncology Chief will work closely with the DOIM Chair to promote a collaborative environment that enhances clinical growth and academic development as well as advancing research consistent with Department, and Institutional missions. Serving on key committees and councils, the Chief will have an important voice in shaping the clinical, educational, and executive future of the Huntsman Cancer Hospital and Huntsman Cancer Institute. The ideal candidate will be a strategic leader who promotes institutional stewardship throughout the University of Utah Health and the University of Utah.

Competitive candidates will have a track record of accomplishment as an academic oncologist, as evidenced by practice and excellence in clinical oncology, original contributions to oncology research, national and international visibility, a history of extramural research funding, and progressive leadership and administrative experience.

The Oncology Division faculty and advanced practice clinicians cover the entire spectrum of medical oncology and are dedicated to high-quality, value-driven patient care, education, and innovation and discovery through basic, clinical, population, and health-services research. With over 30 faculty members, the Division is integrated in the Huntsman Cancer Institute, the University of Utah's NCI-Designated Comprehensive Cancer Center, serving the five-state Mountain West and beyond. The DOIM and Huntsman Cancer Institute are undergoing major expansions of their clinical operations in the Northern Utah area and are committed to growth in research of the Division of Oncology through recruitment of new clinical, translational, and laboratory-based faculty.

**Inquiries, Nominations and Applications:** The University of Utah has retained the services of executive search firm Korn Ferry. Interested applicants may submit application materials (CV, Letter of Interest) addressed to the Search Committee to Jenny Seaver, Principal, at Korn Ferry at [jenny.seaver@kornferry.com](mailto:jenny.seaver@kornferry.com).

All qualified individuals are strongly encouraged to apply. Veterans' preference is extended to qualified applicants, upon request and consistent with University policy and Utah state law. Upon request, reasonable accommodations in the application process will be provided to individuals with disabilities. The University of Utah is an Affirmative Action/Equal Opportunity employer and does not discriminate based upon race, ethnicity, color, religion, national origin, age, disability, sex, sexual orientation, gender, gender identity, gender expression, pregnancy, pregnancy-related conditions, genetic information, or protected veteran's status. The University does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX and 34 CFR part 106. The requirement not to discriminate in education programs or activities extends to admission and employment. Inquiries about the application of Title IX and its regulations may be referred to the Title IX Coordinator, to the Department of Education, Office for Civil Rights, or both.
